Special showcase of BMW M4 CSL and BMW M4 Competition 50 Jahre in Singapore.

Display open to public from 6 to 14 Dec 2022.

Singapore. As the 50th anniversary year of BMW M GmbH draws to a close, BMW Asia is thrilled to present an exclusive showcase of the limited-edition BMW M4 CSL and the BMW M4 Competition 50 Jahre in Singapore. From 6 to 14 Dec 2022, fans can get up close and personal with these two models in a special display at Performance Munich Autos, 315 Alexandra Road, Singapore 159944.

The new BMW M4 CSL stands for the utmost in performance. It features immense power, intelligent lightweight design in a two-seater configuration, and chassis upgrades to make it the ultimate track weapon. The car posted the fastest lap time ever for a series-produced BMW model on the Nürburgring's Nordschleife circuit at 7 mins and 20.207 seconds. Acceleration figures of 3.7 seconds from 0 to 100 km/h and 10.7 seconds for the sprint from 0 to 200 km/h are similarly impressive.

The BMW M4 Competition 50 Jahre edition is based on the current generation of the most successful model series in the history of BMW M GmbH. With a strictly limited number of units per market, fascinating rarities are created for the most important automotive markets around the world. For the exterior paintwork of the edition vehicles, style-defining colours from the history of BMW M GmbH such as Imola Red and Macao Blue are being reissued. These are complemented by M forged wheels in a similarly exclusive colour scheme of Gold Bronze matt. Other edition-specific touches can be found in the interior, with the M sports seats for the driver and front passenger also bearing a special imprint.
