# FIA FORMULA E CHAMPIONSHIP 2017/18.

## HONG KONG (CHN).

### THE DRIVERS.

"I would like to thank everybody for giving me a chance to race at Hong Kong E-Prix. It is a challenge to go to the race without proper testing, but I have been through similar situation in my carrier, so it should be okay. There are quite many familiar faces in this Formula E series, so I am really looking forward to the race and working with them again. I have been to Hong Kong few times, but never imagined racing on the street there. So, really exciting to go there to race."

"I am really looking forward to returning to Hong Kong. I had a good race when Formula E made its debut there last year. Generally speaking, I love the area around Hong Kong. After all, I have enjoyed some big wins in neighbouring Macau. As such, I always have a good feeling when I travel to the region. I think we had a good off-season, and we are all very aware that we have to work well as a team and give it our all in Season 4. I can see a lot of motivated people at MS&AD Andretti and BMW."
