## MARRAKESH (MAR).

### THE DRIVERS.

"I am super happy and excited to be making my debut for MS&AD Andretti Formula E in Marrakesh. I feel as prepared as I can be with the limited time I've had in the car testing. It's going to be a massive challenge but I am up for it! I have to say thank you to MS&AD Insurance, BMW and Andretti for giving me this huge opportunity. I believe the FIA Formula E Championship has a bright future and I'm so proud to be a part of it."

It was really cool last year to go to Marrakesh for the first time during the United Nations Climate Change conference, which is incredibly important for our partners MS&AD Insurance, it shows the impact that Formula E can have in the world."

"The MS&AD Andretti team had a strong start to the season in Hong Kong with António finishing sixth in Round 1. We have been working through the holidays to build on that momentum and get both cars in the points in Marrakesh. The team is very excited to see the debut of Tom Blomqvist, who I believe is one of the most exciting up-and-coming drivers in motorsport. He has shown that he has the ability to excel and I am looking forward to seeing him bring that success and work ethic to Formula E."
