- MSRP of \$99,990 (X5) and \$103,990 (X6) CAD.
- Canadian production scheduled for final quarter of 2021.
- Edition available exclusively via pre-order reservation.

**Richmond Hill, ON.** BMW is proud to announce the limited-edition BMW X5 and X6 Black Vermilion for model year 2022. This exclusive X5 xDrive40i and X6 xDrive40i combine the already high level of performance, comfort and luxury found in every Spartanburg, South Carolina-built X5 and X6 Sports Activity Vehicle with an unmistakably striking and aggressive exterior design and edition-exclusive equipment and details.

The central focus of the new Black Vermilion edition is the exclusive interplay between black and red. The high-gloss black kidney grille with red vertical bars creates a stark contrast to the BMW Individual Frozen Black Metallic paint finish. Darkened Individual Shadowline Headlights with the signature blue 'X' design of the BMW Laserlights, complete the distinctive look of the front end.

The M Sport content further emphasizes the dynamic character of the BMW X5 and X6 Black Vermilion editions. It is composed of aggressively-styled front and rear bumpers as well as the High-Gloss Black Window Surround. Behind the 22-inch, double-spoke 742M light alloy wheels with an edition-exclusive Orbit Grey matte finish, red high-gloss M Sport brake calipers create a striking visual highlight. An M Sport exhaust system makes sure that the sound of the X5 and X6 Black Vermilion edition matches its looks.

The cabin of the new BMW X5 and X6 Black Vermilion edition showcases additional exclusive elements, including BMW Individual Full Merino Black leather with red piping and contrast stitching for front and rear seats. Likewise, the binding on both the front and rear floor mats is finished in red to complete the look. A finely crafted Edition logo on the cupholder cover in BMW Individual Piano Black finish emphasizes the limited model's exclusivity.
