The fifth episode shows BMW M Team RLL and the BMW M works drivers up close and personal at the 24 Hours of Daytona (USA). Starting with Head of BMW M Motorsport Mike Krack's farewell speech, 'MBEDDED' #5 reveals both the fascination and relentlessness of racing for man and machine. The episode shows what the team members go through and their experiences at a 24-hour race as challenging as the one at Daytona. From sporting competition on the track, through the everyday problems of the BMW M works drivers, to discussions on what to call next season's LMDh car, every perspective of the major event is covered – including a look at the unique fan culture in US motorsport.
