### The BMW i4 wins Best Premium EV in Canada for 2023.

- **Awarded by Automotive Journalists Association of Canada (AJAC).**
- **Available in three variants: eDrive35, eDrive40 and M50 xDrive.**
- **All-electric driving range up to 484 km.**
- **Base MSRP of \$54,990 CAD.**

**Richmond Hill, ON.** Today the Automotive Journalists Association of Canada (AJAC) announced the BMW i4 as winner of the Best Premium EV in Canada for 2023. The BMW i4 is available in three variants; the eDrive35, eDrive40 and the M50 xDrive and has a base MSRP of \$54,990 CAD. Depending on the variant and types of equipment selected, the i4 offers an all-electric driving range between 365 and 484 km.

Voting data for the award was collected from AJAC journalists across Canada, who tested eligible vehicles on the same roads and in the same conditions faced by Canadian drivers. With this category win, the i4 now qualifies to be named 2023 Canadian Car of the Year, to be announced in February 2023.

The i4 blends the functionality and space of the gran coupé design with the instantaneous power delivery of BMW's latest 5th generation eDrive, which is also found in the BMW iX Sport Activity Vehicle. Class-leading driving dynamics and long-distance comfort, elegant design, uncompromising workmanship, cutting-edge user-vehicle interface and advanced infotainment and driving assistance technologies all combine to deliver a zero-emissions BMW worthy of the Ultimate Driving Machine moniker.

Sustainability was an integral part of the development of the new BMW i4, from the sourcing of materials to the production of the i4 itself and to the recycling of its
