**Munich.** On 12 and 13 August 2016, the Pure&Crafted Festival returns to the Berlin Postbahnhof with a top-notch programme. Oasis mastermind Noel Gallagher and his High Flying Birds, Mando Diao, Band of Skulls, Frank Carter & The Rattlesnakes and Abby will turn Pure&Crafted into one of the big festival experiences of this year's summer in Berlin. However, apart from all the musical delights, the rich and varied programme once again proves that Pure&Crafted is much more than just a music festival.

### **Wheels Area and new Kids Area provide great points of attraction.**

Like last year the custom bike scene will be another heart piece of the event.

The Wheels Area is an open-air workshop for everyone and numerous custom workshops will also be presenting their wares to the Berlin crowd.

The BMW Motorrad Truck will be opening its doors again to present many exceptional motorcycles as well as the latest trends. The BMW Motorrad Boutique and the Style Collection are new attractions this time around. The fixtures include Berham Customs, Nagel Motors and for the first time Krautmotors and high-powered newcomer The Curves who will be reinforcing the female side of the scene. In addition to all the fully dedicated motorcycle pros, the legendary Motodrome will be there once again and an exciting Kids Area will entertain the smallest visitors since Pure&Crafted is a festival for the entire family.

### **Creative exhibitors and partners in the General Store.**

The General Store located inside the Postbahnhof station building will thrill all those keen on unusual and high-class fashion and lifestyle products, combining high-quality textiles and the finest in leatherware and biker gadgets. This year the exhibitors once again include Blaumann Jeans with their denim creations and the no-compromise classics by Red Wing Shoes and Harry Damson.
