

DTM – Races 15 & 16 – Budapest (HU) – Race 15

**Marco Wittmann fights his way to valuable points for BMW in the DTM title battle in Saturday's race at the Hungaroring.**

Budapest (HU), 24<sup>th</sup> September 2016. Marco Wittmann (DE, Red Bull BMW M4 DTM) remains a model of consistency in the current DTM season: despite difficult conditions, he came home seventh to finish in the points again in race 15 of the season at the Hungaroring (HU). The six points gained in Hungary mean Wittmann continues to lead the Drivers' Championship with 176 points. His lead over Edoardo Mortara (IT, Audi), who won Saturday's race, is now 14 points. BMW Team RMG and BMW are now second in the Team and Manufacturers' competitions.

The remaining BMW drivers finished outside the points. Maxime Martin (BE, SAMSUNG BMW M4 DTM), Tom Blomqvist (GB, Ice-Watch BMW M4 DTM), Timo Glock (DE, DEUTSCHE POST BMW M4 DTM), Bruno Spengler (CA, BMW Bank M4 DTM), António Félix da Costa (PT, BMW M4 DTM) and Augusto Farfus (BR, Shell BMW M4 DTM) were 12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup>, 15<sup>th</sup>, 17<sup>th</sup> and 20<sup>th</sup>.

Martin Tomczyk (DE, BMW M Performance Parts M4 DTM) made a promising start to his fourth-from-last DTM race, but spun after a collision on the opening lap and dropped well down the field.

**Reactions to the 15<sup>th</sup> race of the 2016 DTM season.**

**Jens Marquardt (BMW Motorsport Director):** "As we had to expect after qualifying, that was hard work. With so many Audis out in front, it is difficult to make your way to the very front of the field. Marco made a great start and spotted the gap in turn one, although Mattias Ekström did not make his life easy. He then defended his seventh place with everything he had. Unfortunately, the race was very static, which is a shame for the fans. We must improve in qualifying tomorrow to end the race further in front."

**Marco Wittmann (BMW Team RMG, 7<sup>th</sup> place):** "Seventh place was the most we could manage today. I had a very good start, but a particularly awesome first corner. I mustered all my courage and braked late. That allowed me to overtake two Audis in one go. We did not stand a chance against the Audi dominance today, but six points are very valuable. Let's see how we get on tomorrow."

### About the DTM.

The DTM is the most popular touring car series in the world. The series pits the three premium automobile manufacturers BMW, Audi and Mercedes-Benz against each other in a sporting contest. BMW fielded its first works teams from 1984 to 1992, during which time it claimed 49 race victories and won the Drivers' Championship on three occasions (1984, 1987 and 1989). The manufacturer returned to the DTM in 2012, since when it has won seven of a possible twelve titles. 18 races, spread over nine weekends, are scheduled for 2016. ARD broadcasts all the races live. Tickets for all the DTM races are available here: <https://tickets.bmw-motorsport.com/index.html>
