BMW ALPINA was introduced in early 2026 as a manufacturer of automobiles for enthusiasts who appreciate the extraordinary. The traditional Concorso d'Eleganza Villa d'Este is the perfect setting for the independent, exclusive brand within the BMW Group. Following the presentation of the new word mark and the new brand emblem, BMW ALPINA will present itself directly to the public for the first time at Lake Como.

Once again this year, **BMW Motorrad** will present a spectacular vision vehicle at the Concorso d'Eleganza Villa d'Este that sets new standards in exclusive performance and modern design.

The celebrations of the already announced anniversaries will be complemented by the spectacular special exhibition "Touring Car Legends" on the occasion of "**40 Years of the BMW M3**". Not only legendary BMW M3 (E30) racing touring cars will be presented on the grounds of Villa Erba, but also the respective contemporary competition vehicles from the touring car scene. Racing drivers Johnny Cecotto (VEN), Emanuele Pirro (IT) and Roberto Ravaglia (IT) will be on site to recount anecdotes from their active time as BMW works drivers and answer visitors' questions. A corresponding "fan talk format" will be realized.

On Sunday, May 17, the "**Concorso d'Eleganza Villa d'Este Public Day - Il Festival**" will once again give the general public the opportunity to experience the Concorso d'Eleganza Villa d'Este vehicle parade. In addition, the events at Villa Erba will offer a wide range of entertainment for every age.

The "**Amici & Automobili - Wheels & Weisswüsch**" event format, which is well-known from Munich and also established on Lake Como, will once again be an integral part of the automobile weekend on Lake Como in 2026. On Saturday, May 16, car enthusiasts, automobile clubs and communities from all over the world will be on the grounds of Villa Erba with around 120 vehicles to show off their automotive highlights. The range of vehicles is huge, open to all brands and offers an interesting mix of different vehicles from various decades and concepts. The "40 years of the BMW M3" anniversary will also be honored here with a large number of vehicles on display. The areas by the lake will then become the BMW M3 meadow with all generations of the icon.

The "Trofeo BMW Group - Best of Show" winner will be presented with a special timepiece from **A. Lange & Söhne**: the unique 1815 CHRONOGRAPH in 18-carat white gold with a solid red gold dial and the hand-engraved red gold dial and the hand-engraved coat of arms of the Concorso d'Eleganza Villa d'Este on the hinged back. A. Lange & Söhne has been a loyal companion of the Concorso d'Eleganza Villa d'Este for 15 years. This long-standing partnership will be honored accordingly during the event.

Broad Arrow Auctions, driven by Hagerty (NYSE: HGTY), returns as the official auction partner of BMW AG for the prestigious Concorso d'Eleganza Villa d'Este, presenting over 70 of the world's most desirable collector cars for sale on 16-17 May 2026, with preview days taking place from Friday 15 May.

Villa d'Este

Iconic 5-star luxury hotel located in Cernobbio on Lake Como, Villa d'Este has long been an international benchmark in luxury hospitality. Considered one of the finest examples of mid-16th-century architecture, transformed into a luxury hotel in 1873 and set within a 12-hectare park featuring trees, centuries-old statues, and colorful flowers, Villa d'Este has symbolized timeless elegance for over 150 years. The property offers 151 rooms and suites divided between the Cardinal's Building and the Queen's Pavilion, plus 4 private villas. Recently, Villa Belinzaghi was acquired and is currently undergoing a complete restoration. The culinary offering, led by Executive Chef Andrea Guerini, includes three experiences: the elegant Veranda with stunning lake views, serving classic-contemporary Italian cuisine with international influences; the Grill, for more informal meals highlighting grilled meats and seafood classics; and Ristorante Platano, which evokes authentic Mediterranean and Japanese flavors, fused with influences from around the world. Villa d'Este's wine cellar is renowned in Italy and abroad for its variety, quality, and exceptional wine heritage. Bar Canova is the lakefront destination for cocktails and light snacks in a refined setting, while the Sundeck, adjacent to the floating pool, offers a relaxed summer venue for light meals and cocktails pied dans l'eau. The hotel also features a Beauty Center and Sporting Club with an indoor heated pool, gym, sauna, Turkish bath, squash court, putting green, jogging path, and 8 tennis courts. The famous floating pool on the lake is heated, with a separate pool for children nearby. Completing the guest experience, the nearby Golf Villa d'Este - just a few kilometers from the property and set in a stunning landscape - offers one of Italy's most historic and iconic courses, celebrated for its charm, tradition, and technical quality.
