

## BMW CRUISE BIKE JUNIOR.

The BMW Cruise Bike Junior for boys and girls from six-and-a-half to nine years old. Grows with the child: the special angle of the seat bar of the sturdy, light aluminium frame offers the optimal seat position for various heights. With a suspended front wheel fork, child-friendly adjustable brake levers and a smooth six-gear Shimano grip-shift lever. Includes front, back, pedal and spoke reflectors and a bell in handlebar colour. Distinguished with the red dot design award. (The bike must not be ridden on public roads since it is not equipped in accordance with the German StVZO traffic regulations. It can be fitted with the BMW battery light set.)

**Weight: 12.5 kg.**  
**Aluminium frame (AL 6061-T6): high strength, made of four-chamber extrusion profile, smooth-welded seams.**
