### **BMW Golf Cup**

BMW Golf Cup, one of the world's largest amateur golf tournament series, can trace its roots back a quarter of a century to a British-based initiative that ran on its own for five years before going international. The tournament started as the BMW Invitation Tournament in UK. It has now developed into a global series with 1,000 qualifying tournaments involving 100,000 players in up to 50 countries. The best players from each nation qualify for the highlight, the BMW Golf Cup World Final.
