About the International GS Trophy

The BMW Motorrad International GS Trophy is not a race but a team competition, pitching the GS-riding international contingent against each other in a series of challenges – and not all involve riding.

‘Explore the unexpected’ is the motto of the eighth edition of the BMW Motorrad International GS Trophy, which will take place in late summer 2022. Albania is considered an insider tip for off-road touring and is incredibly rich in flora, fauna and culture. The best Enduro riders in the world can look forward to discovering this quite unknown beauty on their GS bikes, in numerous special stages, and experience the #SpiritOfGS up close.

With the competitors camped nightly in a bivouac, the event also fosters a sense of brotherhood, sisterhood – and camaraderie. The successful team will be respectful of their environment, sympathetic to their machinery and understanding of team-mates.
