The new BMW 6 Series Gran Coupé.

Even more dynamic, individual and sophisticated than ever, the new BMW 6 Series Gran Coupé follows the tradition of legendary dream cars boasting heightened sense of elegance, irresistible aesthetics, majestic performance and exclusive driving pleasure.

Hallmark BMW proportions, precise lines and fluently moulded surfaces come together in an unmistakable **design** language that serves as a signature feature of the BMW 6 Series Gran Coupé. The elegantly modelled rear profile and the sleek lines of its flanks make it totally clear – luxurious design and class-leading performance make an outstanding partnership. The extravagantly shaped kidney grille slats now reduced to nine, together with the large air inlets in the remodelled apron, makes the front of the vehicle appear even more voluminous. Redesigned LED headlights are included as standard. Chrome-plated tailpipe finishers, exterior mirrors and kidney grille ensure an elegant, sporty appearance.

Everything in the **interior** combines absolute luxury with exceptional comfort. The high-quality, meticulously crafted materials and the flawless design surpass the most exacting expectations. Thanks to BMW Individual, personal wishes are transformed into road-going reality. Important driving-related information is provided by the high-resolution, free-standing Control Display with glass casing and galvanised surround. In the centre console, the high-gloss surfaces in Black Panel look are especially eye-catching. The gear selector and iDrive Touch Controller have ceramic embellishers. The characteristic interior design is dominated by the driver-focused cockpit, a front passenger area enveloped by elegantly sweeping surfaces and a seamless connection between the front seats and rear compartment to create an exquisite sense of spaciousness.

With the powerful BMW TwinPower Turbo **diesel** engine, the new BMW 6 Series Gran Coupé remains majestic in every situation on the road. The combination of two turbochargers, Valvetronic, Double-VANOS and High-Precision Injection ensures BMW 640d Gran Coupé delivers an excellent output of 230 kW / 313 hp. High torque of 630 Nm

Subject The new BMW 6 Series Gran Coupé.

Page 2

is available even at just 1,500 and 2,500 rpm. The new BMW 640d Gran Coupé accelerates to 100 km/hr in 5.4 seconds with the ability to achieve a top speed of 250 km/hr.

The eight-speed Steptronic Sport **transmission** with Cruise Control adapts to suit individual driving styles performing smooth, almost imperceptible gear shifts. At any time, in any gear, the transmission collaborates perfectly with the engine, enabling it to develop its full power and efficiency. The Sports Leather Steering of the new BMW 640d Gran Coupé also features Shift Paddles for facilitating more convenient manual gear shifts.

Using the Driving Experience Control switch, the driver is able to choose between different driving modes to suit the driving conditions (ECO PRO, Comfort, Comfort+ and Sport). In addition, Dynamic Damper Control adapts the shock absorber characteristics and adjusts to suit both the road condition and driving style.

Safety also plays an important role in the new BMW 6 Series Gran Coupé. Superb handling characteristics and cutting-edge technology ensure that every drive is both comfortable and safe with air bags, Adaptive LED headlights and Dynamic Stability Control (DSC).

With **BMW EfficientDynamics**, the new BMW 6 Series Gran Coupé is equipped with most comprehensive technology packages to reduce fuel consumption and increase driving dynamics – such as Intelligent Lightweight Construction, Auto Start-Stop, ECO PRO mode, Brake-Energy Regeneration, 50:50 Weight Distribution and many other innovative technologies.

The new BMW 6 Series Gran Coupé has a plethora of **BMW ConnectedDrive** driver assist systems and services. These include the next generation of BMW iDrive (the on-board Driver Information System) with touch controller, BMW Navigation Professional (integrated Global Positioning System – GPS) with 10.2 inch colour display with 3D maps, full-colour BMW Head-Up Display, Connectivity through Bluetooth and USB devices, high-end Surround Sound system from Bang & Olufsen and BMW Apps. Park Distance Control (PDC) rear and front along with rear view camera come as standard.

BMW Individual.

Uniqueness of character is revealed in the detail – the source of true exclusivity. Give full expression to your pursuit of perfection with BMW Individual features for the new BMW 6 Series Gran Coupé. The BMW Individual Collection offers a wide range of equipment options for discerning customers: Fine wood trims with perfect grain, selected from all over the world; immaculate and enticingly soft leather from the world's best tanneries; and paint finishes which fascinate in terms of brilliance and luminosity are offered in a range of hues which define the spirit of time. Complemented by special equipment options adding the finishing touches – all these elements combine to make your BMW become part of your personality.
