

## **The new BMW X4.**

The distinctive sports activity coupe design of the new BMW X4 is a guaranteed head turner. The significantly redesigned exterior reinforces the off-road look and sportiness. **Adaptive LED Headlamps** are now 10mm slimmer and flatter, creating a more focused face. The new front is immediately noticeable with its striking BMW signature kidney grille, thin headlights and redesigned front apron. Moving below, the newly designed front apron conveys power through the M Aerodynamic package which features components in body color in front / rear apron and side sill covers. The side profile is tremendously athletic and sporty. A visual black high gloss frame is created around the coupe-style windows with M High Gloss Shadow line. It extends from window recess cover, along the guide rail, mid pillars, to the base of the side-view mirrors and finally the roof rail. The exclusive edition has 20" M Light alloy wheels, double spoke with mixed tyres in bicolor orbit grey give the BMW X4 a masculine stance. The rear is tidier with increased painted surface and bumper in M Aerodynamic package.

The **interior** boasts an exceptional level of comfort and functionality in a new sporty ambience. Together with an elevated seat position and generous proportions, it ensures first-class comfort. The interior has clearly structured surfaces and an ergonomically impeccable cockpit design that ensures the driver's focus remains one hundred per cent on the intense driving experience. Driver and front passenger enjoy the superior flair of a premium SAC with **Sports Seats** which impress with numerous electrical adjustment options and memory function. Rear passengers can tilt the seats backwards by up to 9° for added comfort. The modern design of the centre console, instrument panel in Sensatec, usage of **M headliner anthracite** and galvanic embellisher adds to the cabin's premiumness. **M leather steering wheel** with 'Walknappa' black with black stitching and M logo spells exclusivity.

A relaxed and harmonious lounge atmosphere is created thanks to a large electrically operated **Panorama sunroof. Ambient Lighting** with six selectable light designs creates an atmosphere for every mood. **Welcome Light Carpet**, projected from the side sill, welcomes passengers in glamorous style. Features such as electroplated controls and 3-zone automatic climate control with extended options add to the overall luxurious feel. The boot has a capacity of 525 litres and can be expanded further to 1,430 litres by folding down the 40/20/40 split rear seat backrest.

The innovative petrol and diesel **engines** from the BMW EfficientDynamics family offer considerably more spirited power delivery as well as spontaneous responsiveness even at low engine speeds. Thanks to their unrivalled **BMW TwinPower Turbo technology**, they meld maximum power with exemplary efficiency. The three-litre in-line six-cylinder diesel engine of the BMW X4 xDrive30d produces an output of 265 hp and a maximum torque of 620 Nm at 2,000 – 2,500 rpm. The car accelerates from 0 -100 km / hr in just 5.8 seconds. The two-litre in-line four-cylinder petrol engine of BMW X4 xDrive30i produces an output of 252 hp and

maximum torque of 350 Nm at 1,450 –4,800 rpm. The car accelerates from 0 -100 km / hr in just 6.6 seconds.

The **8-speed Steptronic Automatic Transmission** performs smooth, almost imperceptible gear shifts. At any time, in any gear, the transmission collaborates perfectly with the engine, enabling it to develop its full power and efficiency. For even greater driving pleasure, the 8-speed Steptronic Sport transmission is available with steering wheel paddle shifters.

**BMW xDrive**, an intelligent all-wheel-drive system monitors the driving situation constantly and is quick to respond. The compact, low-weight and efficient all-wheel-drive system distributes the engine's power between the front and rear axle exactly to suit the driving situation and the surface. Electronically controlled 'Automatic Differential Brakes/Locks (ADB-X)', extended 'Dynamic Traction Control (DTC)', Hill Start Assist and Hill Descent Control help to conquer every terrain. **Adaptive Suspension** makes it possible to adjust the damper characteristics to suit any given driving situation, increasing comfort and driving dynamics.

**BMW EfficientDynamics** doubles 'Sheer Driving Pleasure' with features such as Auto Start-Stop, ECO PRO mode, Brake-Energy Regeneration, Electronic Power Steering, 50:50 Weight Distribution and many other innovative technologies. Using the Driving Experience Control switch, driver is able to choose between different driving modes (ECOPRO, COMFORT, SPORT/SPORT+) to suit diverse driving conditions.

The new BMW X4 features cutting-edge **safety** technologies. It provides optimal support in any situation with six airbags, Attentiveness Assistance, Dynamic Stability Control (DSC) including Cornering Brake Control (CBC), electric parking brake with auto hold, side-impact protection, electronic vehicle immobilizer and crash sensor, ISOFIX child seat mounting and integrated emergency spare wheel under the load floor.

A host of **BMW ConnectedDrive** technologies continue to break the innovation barrier in automotive industry. The modern cockpit concept **BMW Live Cockpit Professional** includes 3D Navigation, a 12.3-inch digital information display behind the steering wheel, a 12.3-inch Control Display and **BMW Head-up Display**. The occupants can operate a number of car functions simply by speaking to their **BMW Virtual Assistant**. Hands do the talking with **BMW Gesture Control** that recognizes six pre-defined hand movements for control of a number of functions. **Wireless Apple CarPlay® / Android Auto** ensure seamless smartphone connection with the car to access several functions. Harman Kardon Surround Sound System with 16 speakers conjures an engrossing treat for the ears.

The spread of driver assistance systems is more extensive than ever. **Parking Assistant** with Rear View Camera makes parking in tight spots easier. The **Reversing Assistant** provides unmatched support in reversing out of a parking spot or through narrow driveways.

# Specifications.

## The new BMW X4 Silver Shadow edition.
