BMW K 1600 B

With the K 1600 B, nothing is more exciting than being relaxed on the road. Completely at rest, you let the vastness of the landscape pass you by. But you also enjoy unleashing the legendary six-cylinder wildly from one second to the next. Then the kilometres rush by. Casual cruising with luxurious comfort becomes aggressive performance touring, just as the elongated and dynamically drawn Bagger silhouette promises. #RideAndShare.
