# THE ALL-NEW BMW R 18 100 YEARS.

**SOUL IS ALL THAT MATTERS.**

One hundred years ago, the R 32 kick-started a unique success story. Today we are celebrating our eventful history with a new icon: the BMW R 18 100 Years. Limited to 1,923 units, it is a model for absolute aficionados that conveys a feeling of nostalgia.

The edition model boasts historic features with plenty of chrome. For example, the drop-shaped fuel tank with white lines, an element that made the R 5 unmistakable in as early as 1936. And of course the unique boxer engine. #SoulFuel in its most exclusive form.
