# THE BMW R 18 TRANSCONTINENTAL.

The R 18 Transcontinental offers you exclusive and luxurious travelling. As a member of the R 18 family, it represents BMW Motorrad's tradition and is deeply rooted in the here and now: its unmistakable front end with the tall windscreen and the mighty Big Boxer promise a comfortable, powerful ride for miles. The automatic load compensation feature accurately adapts the chassis to the load applied to the motorcycle. In addition, it's also engineered for customisation, so you can define your R 18 Transcontinental according to what you will discover on every trip: yourself. Simply put, classic #SoulFuel.
