**BMW Motorrad International GS Trophy.**

The BMW Motorrad International GS Trophy 2024 Namibia is the ninth edition of the event. Previous editions were held in South eastern Europe (Albania) in 2022, Oceania (New Zealand) in 2020, Central Asia (Mongolia) in 2018, Southeast Asia (Thailand) in 2016, North America (Canada) in 2014, South America (Chile, Argentina) in 2012, South Africa (South Africa, Swaziland, Mozambique) in 2010 and North Africa (Tunisia) in 2008. The current event will involve 22 teams from all over the world with a total of 60 riders.

The BMW Motorrad International GS Trophy is not a race: it is a team competition in which an international contingent of off-road enthusiasts compete against each other in various special tests. Not all of these involve just motorcycling: skills and teamwork are essential, too. Since competitors are together for a lot of the time, also spending the night in bivouacs, this is an adventure that promotes a sense of togetherness, too. People, cultures and motorcyclists from all over the world come together, and it is not uncommon for friendships to be made for life.
