Notes:

1. Performance data as measured in the Range and consumption test done under controlled conditions of environment, driving cycle etc. Range: 235-270 kms, Consumption: 16.9 – 14.9 kWh/100 km. Indicated range and consumption is as per the Whole Vehicle Type Approval Certificate issued by European Union (as per WLTP cycle). The actual range may vary based on real driving conditions.

2. For available exterior colours, please visit shop.mini.in or contact your local MINI Authorised Dealer.

3. Price prevailing at the time of invoicing will be applicable. Ex-showroom price inclusive of GST (incl. compensation cess) as applicable but excludes Road Tax, Tax collected at Source (TCS), RTO, statutory taxes/fees, other local tax/cess levies and insurance. Prices and options are subject to change without prior notice.

4. The models, equipment and possible vehicle configurations illustrated may differ from vehicles supplied in the Indian market.

5. Terms and Conditions apply. For further information, please contact your MINI Authorised Dealer or visit www.MINI.in.
