Gurugram. BMW Motorrad India announced its most awaited BMW Motorrad Track Training program in India. The two-day training program will be held at the Buddh International Circuit, Greater Noida, Uttar Pradesh on 23-24 March 2024 followed by another set on the 20 -21 April 2024.

BMW Motorrad Track Training program will enable riders to improve overall riding skills and understand the limits of their BMW Motorrad bikes. Divided into Level 1 and Level 2 sessions, participants get exclusive training by professional instructors in a controlled environment.

Mr. Vikram Pawah, President, BMW Group India, said, "At BMW Motorrad, we are committed to not only delivering exceptional motorcycles but also enhancing the overall riding experience for riders. BMW Motorrad Track Training program is an unparalleled opportunity to elevate one's riding prowess to new heights within a span of just two days. We aim to provide an environment where BMW Motorrad riders can safely push their limits, learn from the best in the business, and experience the thrill of riding on a world-class racing circuit."

BMW Motorrad Track Training modules alternate between 6 theory and 6-8 track practice sessions. Participants will have the opportunity to learn from some of the most skilled trainers with 12+ years' experience and National Championship titles. The curriculum covers everything from basic handling and maneuvering to advanced racing techniques. Sessions are based on understanding and mastering techniques of braking, balance, vision, cornering, and throttle control. This professional training program is suitable for beginners all the way up to the racer level.
