THE BMW M 1000 R.

LIFE IN THE FAST LANE.

Superbike performance meets dynamic roadster freedom. Built for the street and proven on the racetrack, the BMW M 1000 R carries pure M genetics in every detail. A commanding 210 HP delivers relentless acceleration with total control, wrapped in a light, sharp, precision-engineered package. The Splitface LED headlight leads the charge, the four-cylinder announces itself with an unmistakable roar, and three ultra-sporty styles ensure it stands out wherever it goes. This is a machine made for riders who push limits and refuse to hold back. Start the engine. #NeverStopChallenging
