Racing around the Christmas tree. The BMW Baby Racer II gift set.

Munich. 24 December, 6.05 p.m, the lights under the Christmas tree turn green. Head straight on to the main road towards mum and dad. But watch out, grandma is waiting at the zebra crossing! With the **BMW Baby Racer II** and the various accompanying street signs, road safety lessons begin on Christmas Eve.

Agile, quiet, safe.

This little runabout for kids from 18 months to three years has a cushioned seat, rubber tyres for quiet driving, and a low centre of gravity to prevent it from tipping over easily.

The **BMW Baby Racer II** gift set can include the **Baby Racer II**, a set of traffic signs and a small set of traffic lights. It is available from selected BMW dealers and online at www.bmw-shop.de.
