Consummate luxury: the BMW Individual 7 Series by Didit Hediprasetyo.

**BMW Individual presents an exclusive special edition
by the up-and-coming Indonesian designer.**

Munich/Jakarta. Featuring serene comfort, understated elegance and cutting-edge functionality, the exclusive BMW Individual 7 Series special edition by Didit Hediprasetyo combines the sophistication of a BMW 7 Series with the rising fashion designer's lightness of touch. Created in close collaboration with the BMW Individual factory, the car embodies the Paris-based Indonesian's sweeping concept of luxury. The collaboration with designer Didit Hediprasetyo is the first of its kind in Asia and this special one-off is available on the market since May 2012. BMW Individual 7 Series by Didit Hediprasetyo will be limited to 5 units, with each designed according to the character and personality of individual clientele.

The design: an extra-special experience as standard.

Bright pastel tones dominate both the exterior and the interior of the BMW Individual 7 Series by Didit Hediprasetyo. The finely balanced colours convey an aesthetic concept of natural elegance. Hediprasetyo was inspired to create the special edition's colour scheme by the image of a lavender sky at sunrise in a serene desert landscape. The exterior reflects this in its Frozen Diamond Metallic finish, while the full leather interior continues the theme with Merino Silk Grey and contrasting leather piping in Merino Platinum. Silk Grey is the dominant colour, adding a distinguished touch to the Alcantara or full nappa leather on the roof lining, the A, B and C-pillars, the sun visors and the rear shelf. By way of contrast to this subtle colour scheme, Piano Black lacquer finish is used for various interior trim elements while the floor mats are lined with black ostrich leather.

Lavishly finished details help to make this special model truly unique. The headrests feature the designer's logo embossed in the leather, while two cushions in platinum-toned ostrich leather provide extra comfort on the rear seats. The fitted BMW Individual refrigerator box in the back and the champagne glass holders in the rear centre armrest will enable passengers to
