BMW Group sales continue to grow in August

145,902 vehicles sold worldwide in August, up 4.5% Year-to-date sales total 1,330,077, rise of 6.7%

Munich. The BMW Group saw its most successful August ever with 145,902 vehicles delivered to customers around the world (prev. yr. 139,650 / +4.5%). Sales for the first eight months of the year are also higher than in any previous year with a total of 1,330,077 BMW, MINI and Rolls-Royce vehicles sold, an increase of 6,7% over the same period in 2013 (prev. yr. 1,246,502).

"Our worldwide sales continue to grow, with August maintaining the upward trend," said lan Robertson, Member of the Board of Management of BMW AG, Sales and Marketing BMW, in Munich today. "Whilst external factors continue to influence some markets, all three major sales regions are delivering more vehicles than ever before this year and we remain confident that we will hit our target of breaking the 2 million mark in 2014."

In August, worldwide sales of **BMW** brand vehicles increased by 6.2%, with a total of 126,152 vehicles delivered to customers (prev. yr. 118,744). Year-to-date sales climbed 9.5%, totaling 1,151,904 units for the first eight months of the year (prev. yr. 1,051,567). Growth is spread across many segments. In the year-to-date, 305,612 BMW 3 Series vehicles have been delivered to customers, an increase of 5.0% on the same period last year (291,110). Sales of the new BMW 4 Series, which was launched in 2013, total 67,375 units delivered to customers worldwide this year. BMW 5 Series sales grew 5.4% in the first eight months of the year, yr. 238,016). Sales of the BMW X family continue to rise with delivered to customers (prev. yr. 238,016). Sales of far this year (prev. yr. 100,037). The new BMW X4, which has been on sale since July, has been delivered to 3,640 customers already and the BMW X5 saw sales soar 33.1% to 90,633 units in the first eight months of the year (prev. yr. 68,087). Deliveries of the BMW i3 for the year-to-date total 8,401.
