BMW X1 LCI pricing and specification

4 September 2019

- BMW xLine and M Sport Package include newly designed eye-catching exterior elements that showcase the latest BMW design language
- Additional interior touchpoints with extended range of paints, upholsteries and trims
- Upgraded technology including larger infotainment screens and wireless smartphone charging
- Revised RRP's across the range and elevated value delivered to customers
- The BMW X1 LCI will be available in New Zealand from October 2019

BMW Group New Zealand is pleased to announce pricing and specification details for the BMW X1 LCI.

"Since its debut in 2009, the BMW X1 has been one of our highest selling X models and continues to fuel the success of the BMW X range in New Zealand," said CEO of BMW Group New Zealand, Karol Abrasowicz-Madej.

"The popular SAV continues to deliver great value and I'm sure the impressive redesign will resonate with our customers," he said.

BMW X1 LCI range pricing*

sDrive18i Edition	\$59,900*
sDrive18i	\$62,200*
sDrive20i	\$70,700*
xDrive20d	\$79,900*

BMW X1 takes on new athletic form

Echoing the modern BMW design language, the BMW X1 now sports a new muscular look, underscoring its dynamic intent.

From the front, the signature BMW kidney grille now comes as a single-piece and sits on top of the redesigned front apron. Consistent with the contemporary BMW appearance, standard LED headlights are now hexagonal in shape and complete the sporty look.

Adaptive LED headlights including anti-dazzle matrix high-beam function are available as a part of the Driver Assistant Package for added night visibility and road safety.

The combination of new body coloured inlays, larger exhaust diameter (90mm) and full LED rear L shaped lights is incredibly eye-catching and augment the sporting stance.

Included in the lights package is a Welcome greeting whereby the 'X1' logo is projected onto the ground, creating an exclusive and inviting scenario. This is standard on sDrive20i and xDrive20d models. For sDrive18i, lights package is available as a cost option.

Interior and technological enhancements for elevated comfort and practicality

The BMW X1 boot capacity remains unchanged with a volume of 505 litres that can be extended to 1,550 litres via flexible 40/20/40 rear folding seats. Automatic Tailgate is

Condition Based Servicing

All maintenance requirements for the BMW X1 are controlled by the Condition Based Servicing (CBS) system.

With CBS, sensors and advanced algorithms monitor and calculate the conditions in which a vehicle is used, including mileage, time elapsed since its last service, fuel consumption and how a vehicle is driven. Based on the information captured, maintenance requirements are determined, identifying whether an annual vehicle inspection or oil service is due.

As with all New Zealand-new BMW vehicles, a five-year warranty, three-year service inclusive programme and five year roadside assist coverage is fully included.

The BMW Group

With its four brands BMW, MINI, Rolls-Royce and BMW Motorrad, the BMW Group is the world's leading premium manufacturer of automobiles and motorcycles and also provides premium financial and mobility services. The BMW Group production network comprises 30 production and assembly facilities in 14 countries; the company has a global sales network in more than 140 countries.

In 2018, the BMW Group sold over 2,490,000 passenger vehicles and more than 165,000 motorcycles worldwide. The profit before tax in the financial year 2018 was € 9.815 billion on revenues amounting to € 97.480 billion. As of 31 December 2018, the BMW Group had a workforce of 134,682 employees.

The success of the BMW Group has always been based on long-term thinking and responsible action. The company has therefore established ecological and social sustainability throughout the value chain, comprehensive product responsibility and a clear commitment to conserving resources as an integral part of its strategy.
