

BMW racer Matthieu Lussiana: Champion in Brazil and back in the lead of the BMW Motorrad Race Trophy.

At the penultimate round of the 2015 Brazilian Moto 1000 GP, Matthieu Lussiana won his second title in a row on his BMW S 1000 RR: pole position, victory and fastest lap in Santa Cruz do Sul.

Munich (DE), 28th October 2015. His plan was to defend his title in the Brazilian Moto 1000 GP series (MT1GP STK GP) and he succeeded with one race to go: BMW racer Matthieu Lussiana (FR) was crowned champion for the second time in a row at the penultimate round last weekend at Santa Cruz do Sul (BR). Lussiana once more was the man to beat on his BMW Motorrad Petronas Racing BMW S 1000 RR.

The French rider enjoyed a perfect weekend with the maximum points haul. On Saturday he secured pole position for the seventh and penultimate race of the year. In Sunday's race Lussiana set the fastest lap time and took the win with an advantage of nearly five seconds over his closest rival. It was his fifth victory of the season. By taking pole position, the win and fastest lap, Lussiana scored another 27 championship points.

Lussiana has won five out of the seven races contested so far this season. In the other two races he finished second on the podium. On all seven occasions he set the fastest race lap on his BMW S 1000 RR. In addition he collected the extra point for pole position on four of the race weekends. He now has 176 points to his tally and has such a big lead that his rivals can't catch him at the season finale, which will be held on 29th November in Curitiba (BR). For Lussiana, it is the second title win in the series. His BMW Motorrad Petronas Racing Team took the champion's crown for the fourth time in a row.

With the Race Trophy points he scored in Santa Cruz do Sul, Lussiana also re-took the lead in the 2015 BMW Motorrad Race Trophy (see full rankings below). However, the scores are not yet final. At the end of the BMW Motorrad Race Trophy season all participants will be awarded the bonus points for championship titles, pole positions etc.

Luciano Ribodino (AR) finished the race in Santa Cruz do Sul in fifth position on the second BMW Motorrad Petronas Racing RR. In the GP Light (MT1GP STK LT) race, Lussiana's and Ribodino's team-mate Luciano Donato (BR) came home in 11th.

2015 BMW Motorrad Race Trophy – Current Standings.

In 2015 the BMW Motorrad Race Trophy comprises a total of 19 international and national championships. Participants in the BMW Motorrad Race Trophy can compete in multiple championships. The points scored in the different championships are calculated separately for each individual race series. The current standings only include points from the race series in which the participant has scored the most Race Trophy points.
