BMW GROUP 2025 RECAP.

Strong global performance in difficult market environment.

Record registrations in Romania for BMW Group.

BMW is number one in premium market and surpassed for the first time the historic milestone of 5000 registrations.

Romanian market is developed by a strong foundation: BMW, through its long-standing heritage, has a unique positioning in the local perception.

Milestone network investment and pioneering projects to support our clients.

Romania will be part several BMW Group global events:
BMW Motorrad GS Trophy, World Art Car Tour.
