BMW Benefits.

■ **BMW EfficientDynamics.**

There are many reasons why BMWs are so appealing and exciting to drive. At the heart of this appeal is a range of cutting-edge technologies called BMW EfficientDynamics. Together, these innovative technologies deliver a significant reduction in fuel consumption and emissions, as well as a more rewarding driving experience. Our work in this area has been acknowledged by numerous awards including the "WHAT CAR? Green Award" 2008 and the prestigious Paul Pietsch Prize for outstanding innovative developments in the automotive sector. What drives our research into new BMW EfficientDynamics technologies is the desire to achieve even more driving pleasure with continued reduction in fuel consumption and emissions.

■ **BMW Motorplan.**

Included in the selling price of all new BMWs is a standard 5 year/100 000 km Motorplan Maintenance Contract. This contract covers all service, maintenance and repairs resulting from normal wear and tear, excluding tyres, fuel and top-up oil. As with any maintenance agreement, there are certain exceptions which are clearly specified in the Motorplan agreement. Repairs resulting from negligence or an accident are not covered. For all BMW models the contract can be extended up to 7 years or 200 000 km, dependant on your individual needs.

■ **BMW On Call.**

Comprehensive back-up service is provided to BMW customers through the BMW Customer Contact Centre in case of an accident, breakdown, theft or any emergency, 24 hours a day, 7 days a week. Free roadside assistance, towing services, emergency medical assistance, accommodation and car-hire can be provided (if further than 100 km from residence). For more information call 0800 600 777.

■ **BMW Accident Management.**

BMW Accident Management provides a managed response to an accidental vehicle immobilisation. The service includes using the BMW Approved Repair Centre network and overall co-ordination by the BMW Customer Contact Centre. Call 0800 600 777 for more information.

■ **Original BMW Accessories.**

BMW's high standards are reflected in the service that your BMW dealership provides in the choice and fitment of vehicle accessories. The comprehensive range of high quality Original BMW Accessories covers every aspect from the exterior to the interior and from mobile communication to transport and safety accessories. Your BMW dealership will be able to assist you with a catalogue of accessories specially suited to your BMW model.

■ **BMW Lifestyle Accessories.**

Even when you're not driving your BMW, you can still enjoy the unique fascination of the BMW experience, with exclusive products from BMW Lifestyle. From the X3 outdoor range to the Kids' Collection, F1 and Golfspport clothing, to BMW miniatures, you'll be spoilt for choice. You can explore the range of quality BMW Lifestyle products by simply contacting your nearest BMW dealership.

■ **BMW Financial Services.**

BMW is also a powerful partner when it comes to financial matters. BMW Financial Services offers tailor-made solutions with attractive conditions in the fields of leasing, financing and insurance. Find out more at www.bmwfinance.co.za or contact your preferred BMW dealership.

■ **BMW Owner's Circle.**

The BMW Owner's Circle website is an online innovation that offers BMW drivers the opportunity to interact with BMW within a secure, personalised web environment. Registering at www.bmw.co.za/ownerscircle using your surname and ID number, gives you access to information and functionalities specifically relevant to your personal and vehicle profile.

■ **BMW Magazine.**

The BMW Magazine gives you the latest comprehensive news from the world of BMW. You'll receive a complimentary subscription when you purchase your BMW.

■ **BMW Driver Training.**

BMW has a commitment to road safety, not only through research and development and the manufacture of superior motorcars, but also through a worldwide involvement in driver training. BMW Driver Training offers a number of courses designed to counter the threats motorists face on South African roads.

Courses include:

- Collision Avoidance and Skid Control.
- Defensive Driving.
- High Performance.
- Hijack Prevention.

Various packages have also been designed to address specific needs and include:

- Control Package.
- Safety Package.
- Protect Package.
