BMW Benefits.

BMW Motorplan.

Included in the selling price of all new BMWs is a standard 5 year/100 000km Motorplan maintenance contract. This contract covers all service, maintenance and repairs resulting from normal wear and tear, excluding tyres, fuel and top-up oil. As with any maintenance agreement, there are certain exceptions which are clearly specified in the Motorplan agreement. Repairs resulting from negligence or an accident are not covered. For all BMW models the contract can be extended up to 7 years or 200 000km, dependant on your individual needs.

BMW On Call.

Comprehensive back-up service is provided to BMW customers through the BMW Customer Contact Centre in case of an accident, breakdown, theft or any emergency, 24 hours a day, 7 days a week. Free roadside assistance, towing services, emergency medical assistance, accommodation and car-hire can be provided (if further than 100kms from residence). For more information call 0800 600 777.

BMW Accident Management.

BMW Accident Management provides a managed response to an accidental vehicle immobilisation. The service includes using the BMW Approved Repair Centre network and overall co-ordination by the BMW Customer Contact Centre. Call 0800 600 777 for more information.

Original BMW Accessories.

BMW's high standards are reflected in the service that your BMW dealership provides in the choice and fitment of vehicle accessories. The comprehensive range of high quality Original BMW Accessories covers every aspect from the exterior to the interior and from mobile communication to transport and safety accessories. Your BMW dealership will be able to assist you with a catalogue of accessories specially suited to your BMW model.

BMW Lifestyle Accessories.

Even when you're not driving your BMW, you can still enjoy the unique fascination of the BMW experience, with exclusive products from BMW Lifestyle. From the X3 outdoor range to the Kids' Collection, F1 and Golfspport clothing, to BMW miniatures, you'll be spoilt for choice. You can explore the range of quality BMW Lifestyle products by simply contacting your nearest BMW dealership.

BMW Financial Services.

BMW is also a powerful partner when it comes to financial matters. BMW Financial Services offers tailor-made solutions with attractive conditions in the fields of leasing, financing and insurance. Find out more at www.bmwfinance.co.za or contact your preferred BMW dealership.

BMW Owner's Circle.

The BMW Owner's Circle website is an online innovation that offers BMW drivers the opportunity to interact with BMW within a secure, personalised web environment. Registering at www.bmw.co.za/ownerscircle using your surname and ID number, gives you access to information and functionalities specifically relevant to your personal and vehicle profile.

BMW Magazine.

As a BMW driver, you will receive four complimentary issues of the BMW Magazine each year. Every issue covers the latest local and international developments in the world of BMW, including new product and technology news and sport, cultural and lifestyle features.

BMW Driver Training.

BMW has a commitment to road safety, not only through research and development and the manufacture of superior motorcars, but also through a worldwide involvement in driver training. BMW Driver Training courses help develop sophisticated driving skills and reduce the greatest cause of motor accidents - human error. For bookings and more information regarding courses visit www.bmw.co.za

BMW Innovations.

BMW continues to lead when it comes to ground-breaking automotive technologies which enhance the driving experience. Contact your preferred BMW dealership for more information on the innovations available for your specific BMW model.

BMW Runflat Tyre Technology.

BMW's advanced Runflat Tyre Technology is designed to ensure maximum safety and peace of mind on the road. When your tyre loses pressure, you will receive a warning yet can continue driving until you are in a position to change the wheel. Your nearest BMW dealership can confirm whether your vehicle is fitted with approved Runflat tyres, which are specifically marked with a .

Bluetooth.

BMW pioneered wireless in-vehicle communication, making it possible for BMW drivers to link their mobile phone to the vehicle's electronic system. Calls can be made at the touch of a button on the multifunction steering wheel or via voice activation, without the need for cables, headsets or hands-free car kits. Consult your preferred BMW dealership for information on your cell phone's compatibility with your specific BMW model.

iPod.

BMW drivers can enjoy the ultimate digital music experience with the BMW iPod® Adapter - the first seamless integration between the iPod and a vehicle sound system. Simply plug your iPod into a cable located in the vehicle's glove compartment to enjoy high fidelity sound through your vehicle's sound system, and control your iPod using the standard buttons on your BMW steering wheel.

Satellite Navigation.

BMW drivers benefit from the most advanced, fully integrated navigation technology available in the world. The latest Satellite Navigation CD/DVD offers detailed coverage of South Africa's national and secondary road networks as well as major cities and towns. The system effortlessly guides the driver to thousands of destinations including urban and rural addresses, fuel stations, shopping centres, restaurants, airports and major tourist destinations.

Comfort Access.

Comfort Access has been designed to maximise driver convenience by allowing the driver to unlock the car, start the engine and lock the car again without having touched the key. You simply carry the remote control/key with you for the central locking system to unlock when you reach for or pull the door handle.

For concise and in-depth explanations on all innovative technologies and regulation systems, visit the BMW Technology Guide at www.bmw.com/technologyguide
