Included in the selling price of a new MINI is a standard 3 year / 75 000 km Motorplan Maintenance Contract. This maintenance contract covers all service, maintenance and repairs resulting from normal wear and tear excluding tyres, fuel and top-up oil. As with any maintenance agreement, there are certain exceptions which are clearly specified in the Motorplan Agreement. Repairs resulting from negligence or an accident are not covered. For all models the contract distance can be extended up to 200 000 km, dependant on individual needs.

Comprehensive back-up service is provided to MINI customers through the MINI Dealer Network and the BMW Group On-Call Centre in case of an accident, breakdown, theft or any emergency. Free roadside assistance, tow-in, emergency medical assistance, accommodation and car-hire will provided (if required).

MINI INSURANCE COVER.

Balance of comprehensive, theft insurance and audio cover is available to all new MINI customers as a monthly cost option.

We offer a range of benefits exclusive to MINI Insurance including:

- Replacement of vehicle for a similar new vehicle in the event of theft, other loss or write-off within the first 12 months of date of first registration, subject to availability.
