THE NEW BMW 3 SERIES TOURING BUSINESS EDITION MODELS.

BMW EfficientDynamics 
Less emissions. More driving pleasure.

The new BMW
3 Series Touring
Business Edition
models

The Ultimate
Driving Machine

The new BMW 3 Series Touring Business Edition models.

Over five generations, the BMW 3 Series has set the benchmark for exceptional dynamics and compelling style. 50:50 weight distribution, rear-wheel drive and a range of advanced petrol and diesel engines all combine to produce the definitive sports tourer and an unrivalled driving experience.

Continuing to raise this benchmark even higher, all 3 Series models feature BMW EfficientDynamics technologies as standard to help reduce fuel consumption and CO₂ emissions whilst simultaneously enhancing performance.

This unbeatable combination of dynamics and efficiency has helped the 3 Series win both the Fleet World ‘Best Fleet Car’ award and the WHATCAR? ‘Best Executive’ green award, whilst retaining the WHATCAR? ‘Best Compact Executive’ award for an unprecedented 4th consecutive time.

With the new Business Edition models, this award-winning package becomes even better, with up to £3,545 worth of additional specification for £1,000.

SE Business Edition Equipment in addition to SE models

- Navigation system – BMW Business Advanced
- Dakota leather upholstery
- Bluetooth telephone preparation with telematics
- BMW ConnectedDrive – Assist and Online

M Sport Business Edition Equipment in addition / replacement to M Sport models

- 18" light alloy M Star-spoke style 193M wheels
- Navigation system – BMW Business Advanced
- Dakota leather upholstery
- Bluetooth telephone preparation with telematics
- BMW ConnectedDrive – Assist and Online

Optional equipment*

The full range of paint colours, interior trims and optional equipment is available for all Business Edition models, priced as per the corresponding SE or M Sport model, with the following exceptions:

All Business Edition models	609, Navigation system – BMW Professional Multimedia	£395
All M Sport Business Edition models	No alternative alloy wheels are available.	

*Please refer to the BMW 3 Series Touring Price List for full details. Value of additional equipment is based on specifying the options individually. Value is £3,270 on SE models and £3,545 on M Sport models. Please note images shown may include options available at additional cost. Figures in brackets refer to optional six-speed automatic transmission. BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. Insurance group figures refer to 20 Group Rating System / 50 Group Rating System.

BMW 3 Series
Touring Business
Edition models

The Ultimate
Driving Machine

This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. A change in philosophy, this programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

High-precision direct injection

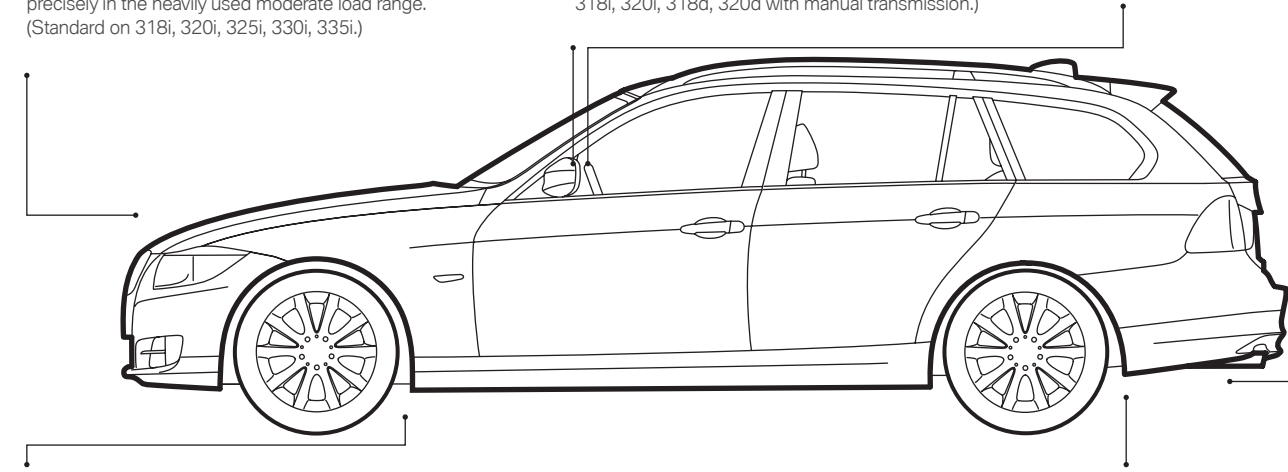

In this cutting-edge generation of petrol direct injection, the Piezo injectors are positioned very close to the spark plugs. They inject the fuel at high pressure and with extreme precision. The injectors' central positioning means only part of the combustion chamber needs to be filled with an ignitable petrol-air mixture. The engine can then run 'leanly' and so efficiently, precisely in the heavily used moderate load range. (Standard on 318i, 320i, 325i, 330i, 335i.)

Auto Start-Stop

BMW four-cylinder engines with manual transmission automatically shut down when the vehicle is stationary, for example at a red light or in traffic, when the driver shifts to neutral and releases the clutch. The engine restarts as soon as the clutch is activated again. This innovation significantly reduces fuel consumption especially in city traffic. (Standard on 318i, 320i, 318d, 320d with manual transmission.)

Optimum Shift Indicator

Timely gear shifts are one of the most effective and easiest ways to save fuel. This is where Optimum Shift Indicator in conjunction with six-speed manual transmission comes in. It shows the driver the most fuel-efficient gear to select for any driving situation. (Standard on all models with manual transmission.)

Electric Power Steering

In comparison with conventional, hydraulic steering systems, the electrical steering only uses energy during actual steering. When the steering wheel position is constant – for example at high speed along the motorway – the electronic motor is inactive. (Standard on 318i, 320i, 325i, 330i, 318d, 320d, 325d, 330d.)

Brake Energy Regeneration

The alternator disengages automatically when the battery is fully charged, only re-engaging when the battery needs charging. In addition, the system engages automatically when the car's brakes are applied or when coasting, to recycle otherwise wasted energy. (Standard on all models.)

And this is what comes out.

BMW already offers 80 models* with CO₂ emissions of 140g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

BMW 3 Series Touring.

VED rates

Annual VED rates for brand new cars are determined by their CO₂ emission figure.
BMW 3 Series Touring models fall into one of the six categories listed below:

CO ₂ emissions g/km	Band D 121-130	Band F 141-150	Band G 151-165	Band H 166-175	Band I 176-185	Band K 201-225
Vehicle Excise Duty	£120	£125	£150	£175	£175	£215

On the road price

The recommended on the road price includes:
Delivery and BMW Emergency Service £655
Number plates £25
Vehicle first registration fee £55
Vehicle Excise Duty (12 months) See left

318i ES and 320i ES

Engine

- Catalytic converter
- EU5 emissions management
- Four-cylinder in-line petrol engine with high-precision direct injection

Transmission

- Six-speed manual transmission

Wheels and chassis

- 16" light alloy Double-spoke style 268 wheels
- Electric Power Steering
- Front suspension, Aluminium
- Mobility tyre sealing system
- Rear suspension, five-link

Safety and technology

- Airbags:
 - Driver, front passenger, front and side
 - ITS head airbags, front and rear
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Check control warning system
- Dynamic brake lights
- Dynamic Stability Control (DSC) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Stability Control (ASC)
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Dynamic Traction Control (DTC)
 - Electronic Brake-force Distribution (EBD)
 - Engine Drag Torque Control (MSR)
- First Aid kit and warning triangle
- Foglights, front and rear
- Follow-me-home headlight function
- Halogen headlights with twin side-light corona rings
- Head restraints – front, anti-whiplash
- Head restraints – rear, adjustable and removable
- High level third brake light
- On-Board Diagnosis (OBD)
- Seat belts – front, inertia reel with pyrotechnical belt latch tensioner and belt force limiter

Safety and technology (cont.)

- Seat belts – rear, three with inertia reel
- Tyre Puncture Warning System (TPWS)
- Visible VIN
- Windscreen washer jets, heated
- Windscreen wipers, two-speed with adjustable intervals

Seats

- Child seat ISOFIX attachment – front and rear, with passenger airbag deactivation
- Split-folding rear seat
- Vertex cloth upholstery

Exterior equipment

- Exhaust tailpipe – single, black (318i)
- Exhaust tailpipe – single, chrome (320i)
- Exterior mirrors – heated, electric adjustment
- Exterior trim, Matt Black
- Indicator lenses, clear
- Kidney grille, Chrome with black vertical slats
- Non-metallic paintwork
- Roof rails, Black
- Tailgate window, independently opening

Interior equipment

- 12V socket – front, two
- Air conditioning, manual
- Armrest – front, folding with storage compartment
- Armrest – rear, centre
- Cup holders, front
- Door sill finishers with BMW designation
- Electric windows – front and rear, with open/close fingertip control
- Floor mats, velour
- Interior trim, Satin Silver
- Luggage compartment storage:
 - 12V socket
 - Bag holders
 - Luggage strap
 - Roller shutter
 - Securing rings
 - Separating net
- Multi-function leather steering wheel
- Start-Stop button
- Steering column with manual reach and rake adjustment
- Storage facilities in door trim panels, front
- Sun visors with vanity mirrors
- Toolkit located in luggage compartment

Audio and communication

- Auxiliary input point for auxiliary playing devices (e.g. MP3 player)
- BMW Professional radio with single CD player
- CD changer preparation
- Loudspeaker system with six speakers
- On-Board Computer (OBC) comprising:
 - Average fuel consumption and range
 - Average speed
 - Outside temperature display
 - Time and date
- Personal Profile

318d ES and 320d ES

Equipment in addition / replacement to 318i ES and 320i ES

- Diesel Particulate Filter (DPF)
- Exhaust tailpipe – single, black (318d)
- Exhaust tailpipe – single, chrome (320d)
- Four-cylinder in-line diesel engine with common-rail technology
- Incorrect fuelling protection system
- Turbo

318i/d SE and 320i/d SE

Equipment in addition / replacement to 318i/d ES and 320i/d ES

- 17" light alloy V-spoke style 285 wheels
- Air conditioning, automatic with two-zone control
- Extended lighting:
 - Door handle illumination
 - Exit lighting
 - Footwell lights
 - Reading lights, front and rear
 - Sun visors with illuminated vanity mirrors
- Park Distance Control (PDC), rear
- Rear-view mirror, automatically dimming
- Run-flat tyres

325i SE

Equipment in addition / replacement to 320i SE

- 17" light alloy Double-spoke style 161 wheels
- Cruise control with brake function
- Dynamic Stability Control Plus (DSC+) comprising:
 - Brake drying
 - Brake fade compensation
 - Brake pre-tensioning
 - Hill-start assistant
- Exhaust tailpipes – twin, chrome
- Exterior trim, Chromeline
- Kidney grille, chrome with chrome vertical slats
- Rain sensor with automatic headlight activation
- Six-cylinder in-line petrol engine with high-precision direct injection

325d SE

Equipment in addition / replacement to 325i SE

- EU4 emissions management
- Six-cylinder in-line diesel engine with common-rail technology
- Turbo

330i/d SE

Equipment in addition / replacement to 325i/d SE

- EU5 emissions management
- Headlight wash
- Metallic paintwork

335i SE

Equipment in addition / replacement to 330i SE

- EU4 emissions management
- Exhaust tailpipes – single, left and right, chrome
- Front bumper valance with painted Aluminium insert
- Oil temperature display
- Power assisted steering, hydraulic
- Twin-turbo

335d SE

Equipment in addition / replacement to 335i SE

- Six-speed automatic transmission
- Sport multi-function leather steering wheel with gearshift paddles
- Two-stage twin-turbo

M Sport models
Equipment in addition / replacement to SE models

- Blue Shadow cloth / Alcantara upholstery
- Door sill finishers with M designation
- Exterior trim, High-gloss Shadowline
- Headlining, Anthracite
- Interior trim, Aluminium Glacier Silver
- M aerodynamic bodystyling
- M Sport multi-function leather steering wheel (335d M Sport and six-cylinder M Sport models with automatic transmission, include steering wheel-mounted gearshift paddles)
- M Sport suspension
- Shortened gearshift
- Sport seats

318i/d and 320i/d M Sport

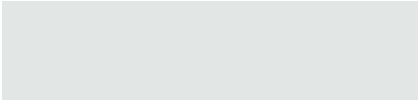

- 17" light alloy M Double-spoke style 194M wheels
- Cruise control
- Exhaust tailpipe – single, Chrome

325i/d, 330i/d and 335i/d M Sport

- 18" light alloy M Star-spoke style 193M wheels
- Cruise control with brake function

The most exclusive way to drive a BMW

The higher your standards, the less room there is for compromise. For drivers with the most exacting standards BMW Individual offers a range of stunning and perfectly-crafted materials to ensure that the expression of individuality has never felt so effortless.

A BMW Individual paint finish is more than just a colour, each has its own characteristic brilliance and complexity. Five layers deep, the depth of colour is more sophisticated than the regular metallic paints thanks to special pigmentation. Xirallic or Titanium Dioxide pigments create an iridescent effect which gives the colours an unmistakable brilliance in the light.

Inside, the level of exclusivity can be continued with the distinctive yet subtle tones of BMW Individual Merino leather. A painstaking refinement process ensures that the leather is kept soft and supple, retaining a unique feel throughout its life as well as meeting the practical demands of a luxury car. And just to complete the interior, you can choose from the hand-picked wood trims that ensure the perfect grain every time.

Let yourself be inspired with BMW Individual.

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.																										
Transmission																										
Automatic transmission	205	○	○	○	○	○							○	○	○	○	○	○							£1,460	
Six-speed automatic transmission with Steptronic and adaptive transmission control including Shiftlock/Interlock. Adapts to personal driving style. Selector lever handle in leather. Includes steering wheel mounted gearshift paddles on six-cylinder models.							○	○	○	○	○	○							○	○	○	○	●	●	£1,600	
Wheels and chassis																										
Active Steering	217	-	-	-	-	-	○	○	○	○	○	○	-	-	-	○	○	○	○	○	○	○	○	○	£950	
At low speeds steering is precise and exact due to a more direct steering ratio. At higher speeds the steering ratio becomes more indirect for enhanced directional stability and safety. Please note that the Electric Power Steering element of BMW EfficientDynamics (where fitted) will be removed when this option is specified. Includes Servotronic. Not with 216 or 3AC on 335i SE / M Sport models.																										
M Sport suspension	704	○	○	●	○	○	●	○	●	○	●	○	○	○	●	○	○	●	○	●	○	●	○	●	£265	
Stiffer spring/damper set-up with vehicle lowered by 15mm.																										
M Sport suspension deletion	225	-	-	○	-	-	○	-	○	-	○	○	-	-	○	-	-	○	-	○	-	○	-	○	£0	
Servotronic	216	○	○	○	○	○	○	○	○	○	-	-	○	○	○	○	○	○	○	○	○	-	-	-	£170	
Varies the level of steering assistance according to the vehicle's speed. At low speeds the system provides a high level of assistance, making steering lighter for the driver. As the speed increases, assistance reduces so that contact with the road becomes more direct and the steering more precise.

Active Cruise Control (ACC)		541	–	–	–	–	–	–	○	○	○	○	○	–	–	–	–	–	–	○	○	○	○	○	○	£1,100
Controlled by separate steering column stalk. Maintains distance from the car in front in four adjustable distance ranges by braking and accelerating in response to radar sensors in the front bumper. Desired speed and operating mode are displayed in the instrument panel.																										
Adaptive Headlights		524	○	○	○	○	○	○						○	○	○	○	○	○							£1,010
Offers improved visibility by following the steering angle of the front wheels, giving better illumination of the road ahead through corners. Not active when the car is reversing or turned right when stationary to avoid dazzling oncoming traffic. Cornering light for illuminating the roadway when cornering with a suitable steering angle at speeds of up to 45mph (65km/h). The cornering light is also activated at speeds below 22mph (35km/h) when direction indicators are in use. Includes 502, 521 and 522.								○	○			○	○							○	○					£925
										○	○	○	○									○	○	○	○	£745
Cruise control		540	○	○	●	○	○	●	–	–	–	–	–	○	○	●	○	○	●	–	–	–	–	–	–	£185
Operation via separate steering-column stalk. Pre-set speed maintained by manipulation of the throttle.																										
Head restraints, rear and folding		5DC	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£35
For two outer rear head restraints only.																										
Headlight wash		502	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£205
High pressure system with lifter jet for cleaning main headlights.																										
High-beam Assistant		5AC	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£105
High-beam Assistant supports the driver by automatically alternating between low and high beam when there is oncoming traffic and when driving through changing light conditions. The system will switch high-beam lights on and off automatically. Only with 430 / 431 and 521. Not with 4NA.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and Online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked your car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports news.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes*

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from comfort of your own home.

*Routes is only applicable to vehicles with 609 BMW Professional Multimedia Navigation system or ZP3 Media Package – BMW Professional.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with an optional navigation system (606 or 609) and Bluetooth telephone preparation with telematics (633) or with a Media package (ZB3 or ZP3). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

*For further information please contact your local BMW Dealer.

Genuine BMW Accessories

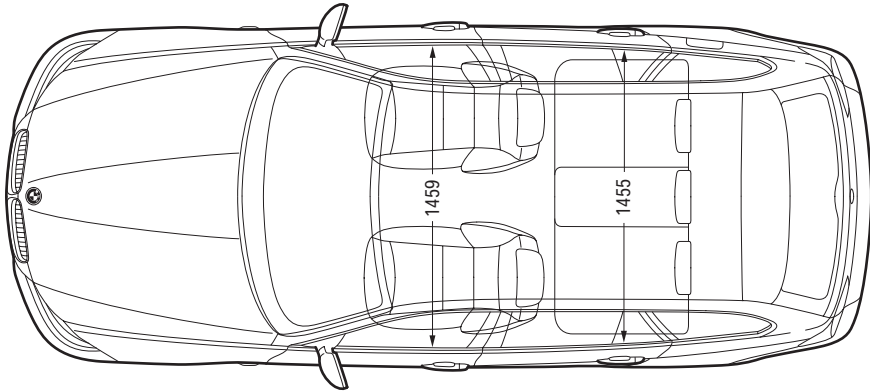

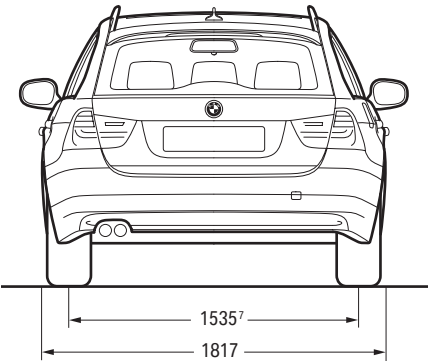

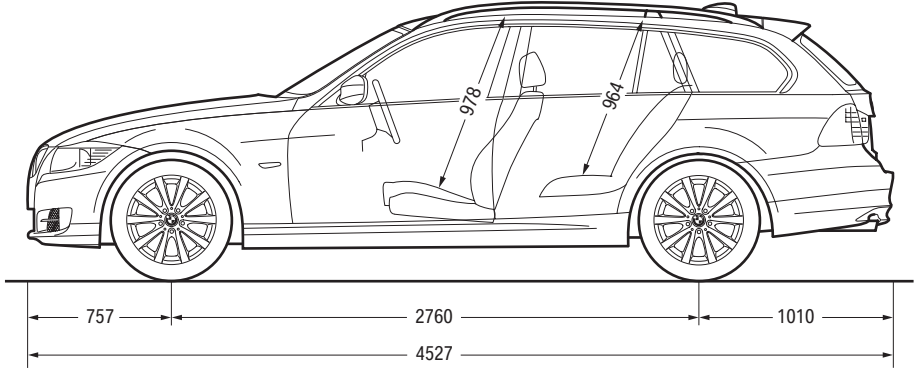

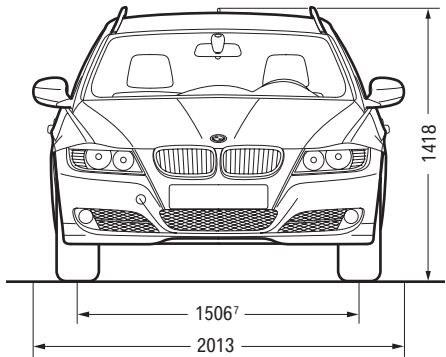

Your choice of car says a great deal about you. Genuine BMW Accessories allow you to make that statement even more personal. BMW 3 Series Touring.

All dimensions in millimetres.

¹ 0-62mph/h is equal to 0-100km/h

² The petrol engines are designed for RON 98 grade fuel. They can be run on fuel down to RON 91 (for 335i RON 95-98) with a decrease in power.

³ All engines meet at least the EU4 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption.

⁴ The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

⁵ The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download. Based at 12% / 8%.

⁶ Electronically limited.

⁷ Please note that for 325d, 330i/d and 335i/d the front track is 1500mm and the rear track is 1529mm.

Figures in () apply to cars with automatic transmission.
