THE BMW 3 SERIES HIGHLINE CONVERTIBLE.

BMW EfficientDynamics 
Less emissions. More driving pleasure.

The BMW 3 Series
Highline Convertible

The Ultimate
Driving Machine

The BMW 3 Series Highline Convertible.

The BMW 3 Series Convertible already combines near-perfect 50:50 weight distribution, rear-wheel drive and lightweight engineering to deliver a class-leading driving experience, whilst the Retractable Hard-Top ensures you can savour the luxurious ambiance whatever the weather.

Couple this with award-winning BMW EfficientDynamics engine technologies that reduce emissions and lower fuel consumption, and you have an unbeatable combination of dynamic performance and effortless efficiency.

With the Highline models you can enhance this even further with up to £2,675 worth of additional equipment for £750.

Available on every engine variant – from the frugal 320d which returns 53.3mpg (combined cycle), to the exhilarating 335i which, with the 2009 International Engine of the Year (2.5-3.0-litre) delivers 306hp – Highline models mean you can enjoy an even more rewarding driving experience.

SE Highline Equipment in addition / replacement to SE models

- 18" light alloy Star-spoke style 189 wheels
- Dakota leather upholstery (with SunReflective technology)
- Bluetooth telephone preparation

M Sport Highline Equipment in addition / replacement to M Sport models

- 19" light alloy M Double-spoke style 225M wheels
- Dakota leather upholstery (with SunReflective technology)
- Bluetooth telephone preparation

Optional equipment*

The full range of paint colours, interior trims and optional equipment is available for all Highline Convertible models, priced as per the corresponding SE or M Sport Convertible model, with the following exceptions:

All SE Highline models	2R4, 19" light alloy Star-spoke style 230 wheels	£445
All M Sport Highline models	No alternative alloy wheels are available	
All Highline models	633, Bluetooth telephone preparation with telematics	£0
	Only BMW Individual leather upholsteries available as alternative.	

*Please refer to the BMW 3 Series Convertible Price List for full details. Value of additional equipment is based on specifying the options individually. Value ranges from £2,240-£2,675 on SE Highline models depending on engine variant and is £2,050 on all M Sport Highline models. Please note images shown may include options available at additional cost. Figures in brackets refer to optional six-speed automatic transmission (or seven-speed Double Clutch Transmission on 335i). BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. Insurance group figures refer to 20 Group Rating System / 50 Group Rating System. BMW 3 Series Highline Convertible models are available until 31 December 2009.

**The BMW 3 Series
Highline Convertible**

**The Ultimate
Driving Machine**

This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. A change in philosophy, this programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

High-precision direct injection

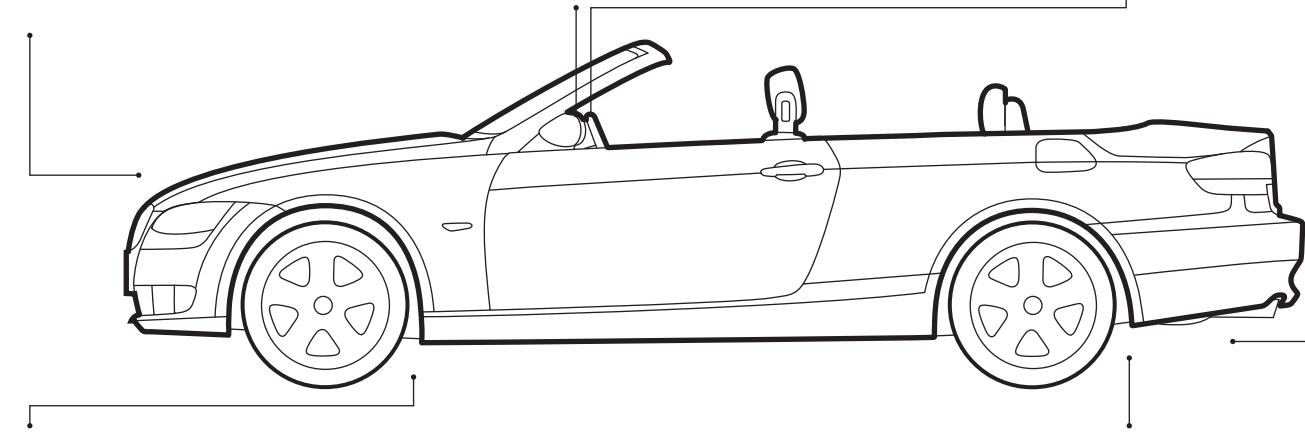

In this cutting-edge generation of petrol direct injection, the Piezo injectors are positioned very close to the spark plugs. They inject the fuel at high pressure and with extreme precision. The injectors' central positioning means only part of the combustion chamber needs to be filled with an ignitable petrol-air mixture. The engine can then run 'leanly' and so efficiently, precisely in the heavily used moderate load range. (Standard on 320i, 325i, 330i, 335i.)

Auto Start-Stop

BMW four-cylinder engines with manual transmission automatically shut down when the vehicle is stationary, for example at a red light or in traffic, when the driver shifts to neutral and releases the clutch. The engine restarts as soon as the clutch is activated again. This innovation significantly reduces fuel consumption especially in city traffic. (Standard on 320i, 320d with manual transmission.)

Optimum Shift Indicator

Timely gear shifts are one of the most effective and easiest ways to save fuel. This is where Optimum Shift Indicator in conjunction with six-speed manual transmission comes in. It shows the driver the most fuel-efficient gear to select for any driving situation. (Standard on all models with manual transmission.)

Electric Power Steering

In comparison with conventional, hydraulic steering systems, the electrical steering only uses energy during actual steering. When the steering wheel position is constant – for example at high speed along the motorway – the electronic motor is inactive. (Standard on 320i, 325i, 330i, 320d, 325d, 330d.)

Brake Energy Regeneration

The alternator disengages automatically when the battery is fully charged, only re-engaging when the battery needs charging. In addition, the system engages automatically when the car's brakes are applied or when coasting, to recycle otherwise wasted energy. (Standard on all models.)

BMW already offers 80 models* with CO₂ emissions of 140g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

And this is what comes out.

320i SE

Engine

- Catalytic converter
- EU5 emissions management
- Four-cylinder in-line petrol engine with high-precision direct injection
- VANOS

Transmission

- Six-speed manual transmission

Wheels and chassis

- 17" light alloy Star-spoke style 157 wheels
- Disc brakes – front and rear, ventilated
- Electric Power Steering
- Front suspension, Aluminium
- Rear suspension, five-link

Safety and technology

- Airbags:
 - Driver and front passenger, front
 - Side airbags – driver and front passenger with combined head airbag
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Check control warning system
- Cruise control
- Daytime running lights
- Dynamic brake lights
- Dynamic Stability Control (DSC) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Stability Control (ASC)
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Dynamic Traction Control (DTC)
 - Electronic Brake-force Distribution (EBD)
 - Engine Drag Torque Control (MSR)
- First Aid kit and warning triangle
- Foglights, front and rear
- Follow-me-home headlight function

Safety and technology (cont.)

- Headlight wash
- Head restraints – front, anti-whiplash
- Head restraints, rear
- On-board Diagnosis
- Park Distance Control (PDC), rear
- Roll-over protection system
- Run-flat tyres with Tyre Puncture Warning System (TPWS)
- Seat belts – front with pyrotechnical belt latch tensioner and belt force limiter
- Seat belts – rear, two with inertia-reel
- Third brake light, integrated in luggage compartment lid
- Visible VIN
- Windscreen washer jets, heated
- Windscreen wipers, two-speed with adjustable intervals
- Xenon headlights

Seats

- Child seat ISOFIX attachment – front and rear with passenger airbag deactivation
- Fluid cloth upholstery
- Four seats
- Rear seat easy access system
- Seat adjustment – front, electric with driver memory
- Seat backrests – rear, foldable for level storage area

Exterior equipment

- Exhaust tailpipe – single, chrome
- Exterior mirrors – heated, electric adjustment with automatic dipping for passenger side mirror
- Exterior trim, Chromeline
- Indicator lenses, clear
- Kidney grille, Chrome with black vertical slats
- Luggage compartment loading function
- Non-metallic paintwork
- Retractable Hard-Top (RHT)

Interior equipment

- Air conditioning, automatic, with two-zone control
- Armrest – front, folding with storage compartment
- Cup holders, front
- Door sill finishers with BMW designation
- Electric windows – front and rear, with open/close fingertip control
- Extended lighting comprising:
 - Ambient interior lighting – light band in door and side trim
 - Door handle illumination
 - Exit lighting
 - Footwell lights, front and rear
 - Interior lights, front with soft on/off
 - Reading lights, front
- Floor mats, velour
- Interior trim, Satin Silver
- Rear-view mirror, automatically dimming
- Smoker's package
- Start-Stop button
- Steering column with manual reach and rake adjustment

Interior equipment (cont.)

- Storage facilities:
 - Securing rings in luggage compartment
 - Storage area separating luggage compartment and cabin
 - Storage compartment in door panels, folding
 - Storage compartment next to steering column with lid
 - Storage compartment with cover in rear centre console
 - Storage nets on seat backrests
- Sun visors with illuminated vanity mirrors
- Sport multi-function leather steering wheel with decorative inserts in Matt Chrome Pearl Grey
- Toolkit located in luggage compartment
- Windscreen with grey shade band

Audio and communication

- Auxiliary input point for auxiliary playing devices (e.g. MP3 player)
- BMW Professional radio with single CD player
- CD changer preparation
- Loudspeaker system with six speakers
- On-Board Computer (OBC) comprising:
 - Average fuel consumption
 - Average speed
 - Outside temperature display
 - Time/date
 - Range
- Personal Profile

320d SE
Equipment in addition / replacement to 320i SE

- Diesel Particulate Filter (DPF)
- Four-cylinder in-line diesel engine with common-rail technology
- Incorrect fuelling protection system
- Turbo

325i SE
Equipment in addition / replacement to 320i SE

- Cruise control with brake function
- Dynamic Stability Control Plus (DSC+) comprising:
 - Brake drying
 - Brake fade compensation
 - Brake pre-tensioning
 - Hill-start assistant
- Exhaust tailpipes – twin, chrome
- Kidney grille, chrome with chrome vertical slats
- Rain sensor with automatic headlight activation
- Six-cylinder in-line petrol engine with high-precision direct injection

325d SE
Equipment in addition / replacement to 325i SE

- Diesel Particulate Filter (DPF)
- EU4 emmissions management
- Six-cylinder in-line diesel engine with common-rail technology

330i/d SE
Equipment in addition / replacement to 325i/d SE

- 17" light alloy Star-spoke style 185 wheels
- EU5 emissions management
- Metallic paintwork

335i SE
Equipment in addition / replacement to 330i SE

- 17" light alloy V-spoke style 188 wheels
- EU4 emmissions management
- Exhaust tailpipes – single, left and right, chrome
- Front bumper valance with Grey insert
- Oil temperature display
- Power assisted steering, hydraulic
- Twin-turbo

All M Sport Models
Equipment in addition / replacement to SE models

- 18" light alloy Star-spoke style 193 M wheels
- Blue Shadow cloth / Alcantara upholstery
- Door sill finishers with M designation
- Exterior trim, High-gloss Shadowline
- Interior trim, Aluminium Glacier Silver
- M aerodynamic bodystyling
- M Sport multi-function leather steering wheel (six-cylinder M Sport models with automatic transmission includes steering wheel gearshift paddles).
- M Sport suspension
- Shortened gearshift
- Sport seats

The most exclusive way to drive a BMW

The higher your standards, the less room there is for compromise. For drivers with the most exacting standards BMW Individual offers a range of stunning and perfectly-crafted materials to ensure that the expression of individuality has never felt so effortless.

A BMW Individual paint finish is more than just a colour, each has its own characteristic brilliance and complexity. Five layers deep, the depth of colour is more sophisticated than the regular metallic paints thanks to a special pigmentation. Xirallic or Titanium Dioxide pigments create an iridescent effect which gives the colours an unmistakable brilliance in the light.

Inside, the level of exclusivity can be continued with the distinctive yet subtle tones of BMW Individual Merino leather. A painstaking refinement process ensures that the leather is kept soft and supple, retaining a unique feel throughout its life as well as meeting the practical demands of a luxury car. And just to complete the interior, you can choose from the hand-picked wood trims that ensure the perfect grain every time.

Let yourself be inspired with BMW Individual.

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen.
Your BMW Dealer will be pleased to provide you with more information.

Transmission																		
Automatic transmission	205	○	○								○	○						£1,460
Six-speed automatic transmission with Steptronic and adaptive transmission control including Shiftlock/Interlock. Adapts to personal driving style. Selector lever handle in leather, with inserts in Matt Chrome Pearl Grey. Includes steering wheel mounted gearshift paddles on six-cylinder models.				○	○	○	○	–	–			○	○	○	○	○		£1,555
Seven-speed Double Clutch Transmission (DCT)	2TC	–	–	–	–	–	○	○	–	–	–	–	–	–	–	–	–	£1,605
Seven-speed Double Clutch Transmission allows gear changes without a break in the flow of power to the rear wheels. Choose from manual gear changes via steering wheel mounted gearshift paddles or a fully automated mode. ‘Sport’ button on the centre console allows selection of shorter shift times. Also features Launch Control.																		

Wheels and chassis																		
Active Steering	217	–	–	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£905
At low speeds steering is precise and exact due to a more direct steering ratio. At higher speeds the steering ratio becomes more indirect for enhanced directional stability and safety. Please note that the Electric Power Steering element of BMW EfficientDynamics (where fitted) will be deleted when this option is specified. Includes Servotronic. Not with 216; or 3AC on 335i SE / M Sport models.																		
M Sport suspension	704	○	●	○	●	○	●	○	●	○	●	○	●	○	●	○	●	£265
Stiffer spring/damper set-up with vehicle lowered by 15mm.

Wheels and chassis (cont.)															
M Sport suspension deletion	225	–	○	–	○	–	○	–	○	–	○	–	○	–	£0
Servotronic	216	○	○	○	○	○	–	–	○	○	○	○	○	○	£170
Varies the level of steering assistance according to the vehicle’s speed. At low speeds the system provides a high level of assistance, making steering lighter for the driver. As the speed increases, assistance reduces so that contact with the road becomes more direct and the steering more precise.															

Safety and technology															
Active Cruise Control (ACC)	541	–	–	○	○	○	○	○	○	○	–	–	○	○	£1,100
Controlled by separate steering column stalk. Maintains distance from the car in front in four adjustable distance ranges by braking and accelerating in response to radar sensors in the front bumper. Desired speed and operating mode are displayed in the instrument panel.															
Adaptive Headlights	524	○	○								○	○			£300
Offers improved visibility by following the steering angle of the front wheels, giving better illumination of the road ahead through corners. Not active when the car is reversing or turned to the right when stationary, to avoid dazzling oncoming traffic. Cornering light for illuminating the roadway when cornering with a suitable angle at speeds of up to 45mph (65km/h). Cornering light also activated at speeds below 22mph (35km/h) when direction indicators are in use. Includes 521.				○	○	○	○	○	○				○	○	£240
High-beam Assistant	5AC	○	○	○	○	○	○	○	○	○	○	○	○	○	£105
High-beam Assistant supports the driver by automatically alternating between low and high beam where there is oncoming traffic and when driving through changing light conditions. The system will switch high beam on or off automatically. Only with 521. Not with 4NA.															
Park Distance Control (PDC), front and rear	508	○	○	○	○	○	○	○	○	○	○	○	○	○	£355
Acoustic (and visual in combination with 606, Navigation system – BMW Business Advanced or 609, Navigation system – BMW Professional Multimedia) warning of proximity of obstacles to front or rear of the car. Manual deactivation. Sensors in the bumper painted in body colour. If 3AC is also specified, rear sensors will be automatically deactivated when the towbar is in position.

Services and Benefits.

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years’ unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years’ anti-corrosion warranty and three years’ paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

BMW Financial Services

Chances are, you’ve already decided on the BMW you want to drive. Now discover the perfect finance solution to get you behind the wheel. BMW Financial Services offers a range of tailor-made finance packages to suit you and your budget.

And to help you, at every BMW Dealership, there’s a Financial Services Specialist – a dedicated expert who’ll find the perfect solution for you. They’ll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- **BMW Select (Personal Contract Purchase)**
- **BMW Hire Purchase**
- **BMW Contract Hire**
- **BMW Car Insurance**
- **BMW Home Insurance**
- **BMW Travel Insurance**

For details of your local BMW Dealer, please call 0870 5050 150. Further information on our finance products can be found at www.bmw.co.uk

Finance is subject to status and available to over 18’s in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and Online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked your car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports news.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes*

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from comfort of your own home.

*Routes is only applicable to vehicles with 609 BMW Professional Multimedia Navigation system.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with an optional navigation system (606 or 609) and Bluetooth telephone preparation with telematics (633). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

*For further information please contact your local BMW Dealer.

Genuine BMW Accessories

Your choice of car says a great deal about you. Genuine BMW Accessories allow you to make that statement even more personal. There's endless scope for personalising your BMW to suit your needs and style, with a wide range of accessories from exterior and interior styling to mobile communications, all of which have been designed to the same exacting standards as your vehicle. For further details on Genuine BMW Accessories for your BMW, please contact your local BMW Dealer.

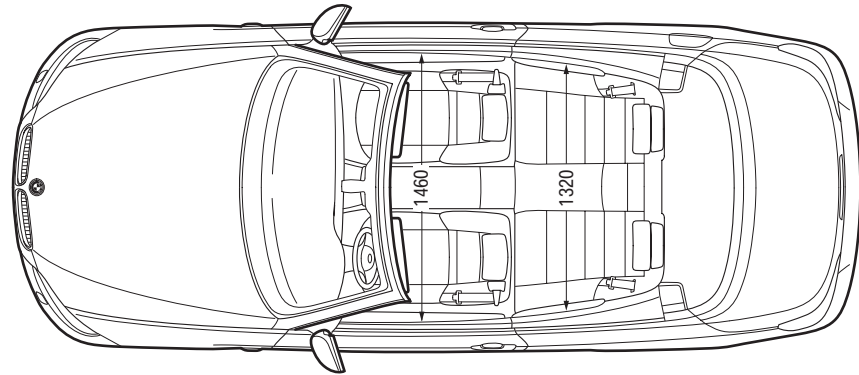

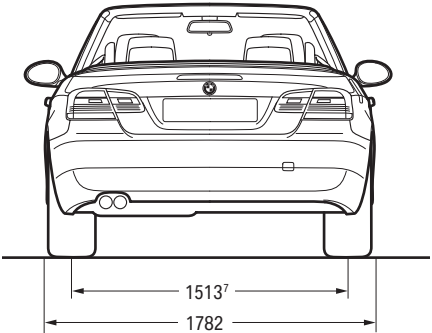

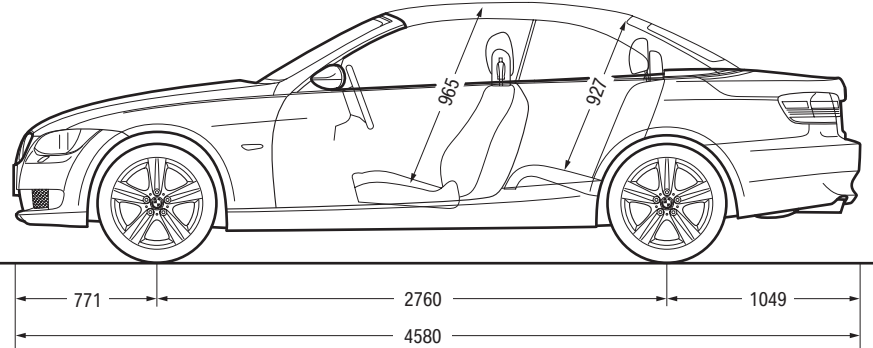

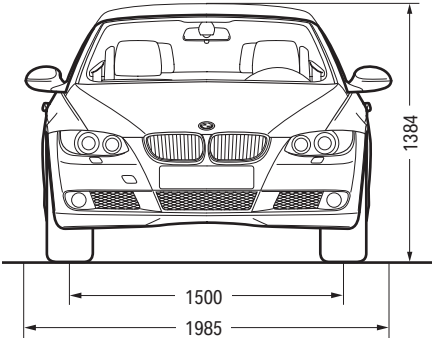

BMW Lifestyle

The BMW Lifestyle Collection reflects the exclusivity and versatility of BMW design. This innovative product range demonstrates the highest quality in both materials and functionality. The extensive product portfolio includes clothing and accessories items such as miniatures, keyrings, leather goods, kids' mobility products, golf accessories and yachting products.

All dimensions in millimetres.

¹ 0-62mph is equal to 0-100km/h.

² The petrol engines are designed for RON 98 grade fuel. They can be run on fuel down to RON 91 (for 335i RON 95-98) with a decrease in power.

³ All engines meet at least the EU4 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption.

⁴ The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

⁵ The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download. Based at 12% / 8%.

⁶ Electronically limited.

⁷ Please note that for 335i track is 1507mm.

Values in () apply to vehicles with six-speed automatic transmission except for the 335i which shows figures for seven-speed Double Clutch Transmission.
