- 34 Technical data

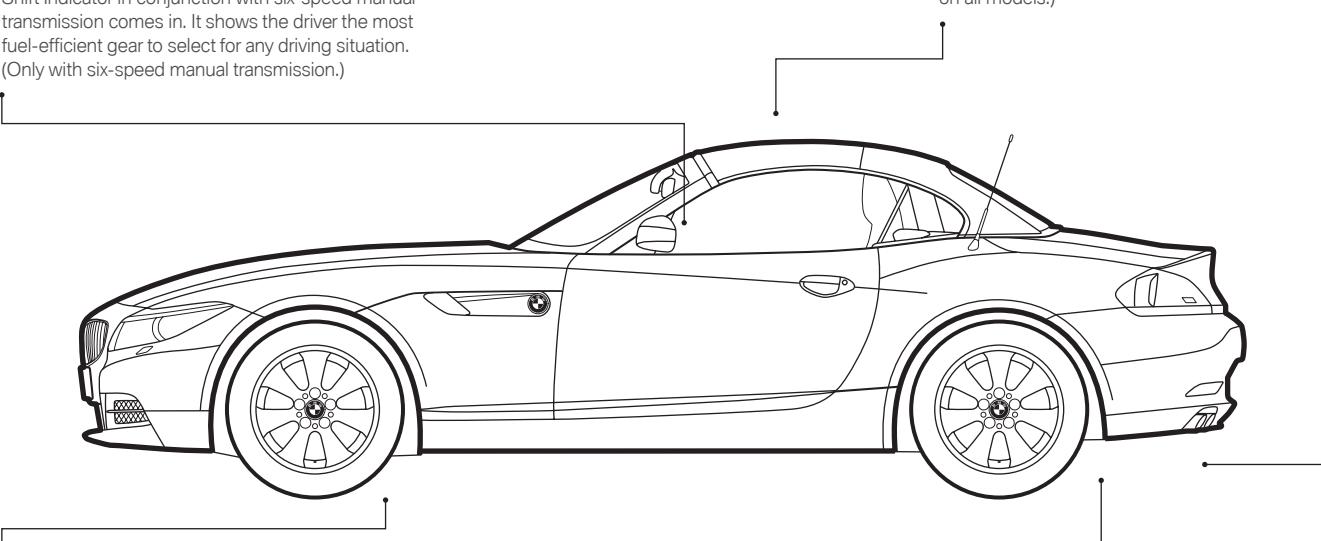

This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. This programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

Optimum Shift Indicator

Timely gear shifts are one of the most effective and easiest ways to save fuel. This is where Optimum Shift Indicator in conjunction with six-speed manual transmission comes in. It shows the driver the most fuel-efficient gear to select for any driving situation. (Only with six-speed manual transmission.)

Electric Power Steering

Unlike conventional, hydraulic steering systems, the electrical steering only uses energy during actual steering. When the steering wheel position is constant – for example at high speed along the motorway – the electronic motor is inactive. (Standard on all models.)

Lightweight Engineering

Advanced lightweight materials reduce the overall weight of the vehicle, enhancing driving dynamics and improving fuel economy. (Standard on all models.)

Brake Energy Regeneration

The alternator disengages automatically when the battery is fully charged, only re-engaging when the battery needs charging. In addition, the system engages automatically when the car's brakes are applied or when coasting, to recycle otherwise wasted energy. (Standard on all models.)

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

And this is what comes out.

BMW already offers 80 models* with CO₂ emissions of 140g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

BMW Z4.

Model	Power output (hp)	0-62mph (secs)	Combined fuel consumption (mpg)	CO ₂ emissions (g/km)	VED band	Insurance group
Petrol

Prices and specifications

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

Key

Figures in (brackets) apply to cars with automatic transmission.
Insurance group figures refer to – 20 Group Rating System / 50 Group Rating System.

VED rates

Annual VED rates for brand new cars are determined by their CO₂ emission figure. BMW Z4 models fall into one of the two categories listed below:

CO ₂ emissions g/km	Band J 186-200	Band K 201-225
Vehicle Excise Duty	£215	£215

On the road price

The recommended on the road price includes:
Delivery and BMW Emergency Service £655
Number plates £25
Vehicle first registration fee £55
Vehicle Excise Duty (12 months) See left

Z4 sDrive23i

Engine

- Six-cylinder in-line petrol engine with Double-VANOS and VALVETRONIC
- EU5 emissions management
- Oil sensor for level and grade

Transmission

- Six-speed manual transmission

Wheels and chassis

- 17" light alloy Star-spoke style 290 wheels
- Double-joint spring-strut front axle
- Drive Dynamic Control
- Electric Power Steering (EPS) with Servotronic
- Electro-mechanical parking brake

Safety and technology

- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Brake discs – ventilated, front and rear
- Brake Force Display
- Brake lights and indicators with LED technology
- Child seat ISOFIX attachment
- Crash sensor activating central locking release, hazard warning lights, fuel cut-off and interior lighting
- Deformation zones – front and rear with door reinforcements and bumpers that regenerate to their original shape in impacts of up to 2.5mph
- Dynamic Stability Control (DSC) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Stability Control (ASC)
 - Brake Assist function
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Dynamic Traction Control (DTC)
 - Electronic Brake-force Distribution (EBD)
 - Hill-start Assistant
- First Aid kit and warning triangle
- Foglights, rear
- Follow-me-home headlight function
- Front and side / head airbags for driver and passenger
- Headlight wash
- Impact-dependent airbag system
- Locking wheel bolts (Thatcham approved)
- Passenger seat airbag deactivation
- Roll-over protection system
- Run-flat tyres with Tyre Puncture Warning System (TPWS)
- Safety battery cable
- Seat belts – inertia reel with pyrotechnical belt latch tensioner, belt force limiter and belt restrainer
- Side impact protection
- Xenon headlights with welcome light and daytime driving lights

Seats

- Panama cloth upholstery

Exterior equipment

- All round anti-corrosion system with partial hot galvanising, phosphate treatment and cathodic dip paintwork, preservation of hollow cavities, underfloor protection
- Bootlid operation, soft-close
- Exterior mirrors in body colour, heated
- Exhaust tail pipes – dual, round, left
- Front apron air inlets in black
- Kidney grille, chrome with black vertical slats
- Retractable Hard-Top (RHT), two-piece with remote opening control in key

Interior equipment

- Air conditioning, automatic with two-zone control
- Air microfilter
- Ambient interior lighting
- Armrest – front, centre
- Battery in luggage compartment with jump start facility in engine bay
- Door sill finishers in black with BMW designation
- Electric windows – front and rear, with open/close fingertip control, anti-trap facility and comfort opening function all round via key
- Floor mats, velour
- Gear lever gaiter in leather
- Heated glass rear window
- Multi-function sport leather steering wheel, three-spoke
- Reading lights
- Satin Silver interior trim, matt
- Smoker's package
- Steering column with manual reach and rake adjustment
- Storage compartments in instrument panel and centre console

Audio and communication

- Auxiliary input point for auxiliary playing devices
- BMW Professional radio with single CD player (with MP3 playback facility) and dual tuner
- On-Board Computer (OBC) comprising:
 - Average speed
 - Fuel consumption and range
 - Information display – analogue instruments combined with liquid crystal display
 - Journey computer
 - Outside temperature display
- Preparation for DVD changer

Z4 sDrive30i

Equipment in addition / replacement to Z4 sDrive23i

- Kansas leather upholstery
- Rain sensor with automatic headlight activation
- Rear-view mirror, automatically dimming

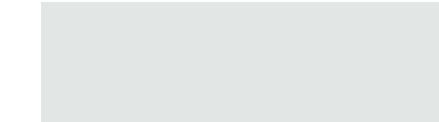

Z4 sDrive35i

Equipment in addition / replacement to Z4 sDrive30i

- 17" light alloy Turbine-spoke style 292 wheels
- Brushed Aluminium interior trim
- Door sill finishers with BMW designation, metal finish
- Exhaust tail pipes – single, round, left and right
- Extended lighting
- Front apron air inlets in matt aluminium
- Kidney grille, chrome with matt aluminium vertical slats
- Metallic paintwork
- Seat adjustment – electronic, with driver memory
- Six-cylinder in-line petrol engine with high-precision direct injection
- Twin-turbo

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

Transmission

Seven-speed Double Clutch Transmission (DCT)	2TC	—	—	○	£1,810
Seven-speed Double Clutch Transmission allows gear changes without a break in the flow of power to the rear wheels. Choose from manual gear changes via steering wheel mounted gearshift paddles or a fully automated mode. Also features Launch Control and includes gearshift paddles for sport leather steering wheel.					

Sport automatic transmission

2TB	○	○	—	—	£1,765
Six-speed automatic transmission gives dynamic and sporty gearchanges via the steering wheel paddles or selector lever. Sport button activates Sport Mode where gear changes are almost instantaneous in either up or down shifts. Includes gearshift paddles for sport leather steering wheel.					

Wheels and chassis

Adaptive M Sport suspension	2VF	○	○	○	£930
Adjustable and dynamically variable suspension system. Drive Dynamic Control used to select parameters from NORMAL, SPORT and SPORT+ but dampers continuously react to road surface and driving style. 10mm lower ride height.					

	Z4 sDrive23i	Z4 sDrive30i	Z4 sDrive35i	Price
Safety and technology				
Adaptive Headlights 524	○	○	○	£340
Offers improved visibility by following the steering angle of the front wheels, giving better illumination of the road ahead through corners. Not active when the car is reversing or turned right at a standstill to avoid dazzling oncoming traffic. Cornering light for illuminating the roadway when cornering with a suitable steering angle at speeds of up to 45mph (65km/h). The cornering light is also activated at speeds below 22mph (35km/h) when direction indicators are in use. Only with 521.				
Cruise Control with brake function 544	○	○	○	£245
Adjustable in 5mph segments as well as 1mph segments for fine tuning. Pre-set speed is automatically maintained by the application of the throttle and brakes.				
High-beam Assistant 5AC	○	○	○	£115
High-beam Assistant supports the driver by automatically alternating between low and high beam when there is oncoming traffic and when driving through changing light conditions. Only with 430 / 431 and 521. Not with 4NA.				
Park Distance Control (PDC), front and rear 508	○	○	○	£590
Acoustic (and visual in combination with 609, Navigation system – BMW Professional Multimedia) warning of proximity to obstacles to the front and rear of the car. Manual deactivation. Sensors in the bumpers painted in body colour.				
Rain sensor with automatic headlight activation 521	○	●	●	£100
Automatic activation/intermittent-wipe control for windscreen wipers and automatic activation of headlights.

	Z4 sDrive23i	Z4 sDrive30i	Z4 sDrive35i	Price
Seats				
Lumbar support, driver and passenger 488	○	○	○	£235
Electric lumbar adjustment for an ergonomically perfect seat position and support of back muscles.				
Seat adjustment, electric with memory 459	○	○	●	£945
Electric adjustment of seat movement for driver and front passenger. High-rest in combination with sport seats is manually adjustable. Head restraint height has manual adjustment. Two memory positions for driver's seat, including mirror memory for driver's side. When reverse gear is selected the passenger exterior mirror automatically dips to assist with parking – 'kerb-view function'.				
Seat heating 494	○	○	○	£280
Seat heating for driver and passenger. Seat surface and backrest are rapidly heated to add comfort in colder months. The seat heating can be adjusted by a three-stage switch.				
Sport seats 481	○	○	○	£475
Length, height, tilt and thigh-rest manually adjustable. Electric adjustment of backrest side bolsters, which ensure optimum lateral support when cornering. Not with AS.

		Z4 sDrive23i	Z4 sDrive30i	Z4 sDrive35i	Price
Exterior equipment					
Comfort Access	322	○	○	○	£510
Keyless access to the vehicle (driver and passenger doors, luggage compartment lid) and keyless starting of the vehicle.					
Exterior mirrors – folding, automatically dimming	430	○	○	○	£395
Electrically foldable exterior mirrors with automatic dimming. Includes automatically dimming rear-view mirror and a key-dependent memory function for exterior mirrors. Not with 313.					
Includes 431 for Z4 sDrive23i.					
Exterior mirrors, folding	313	○	○	○	£190
Electronically folding exterior mirrors for parking and manoeuvring through tight spots. Not with 430.					
Model designation deletion	320	○	○	○	£0
Removal of model designation from rear bootlid and front wings.					
Interior equipment					
Extended lighting	563	○	○	●	£190
Includes:					
– Door handle illumination					
– Exit lighting					
– Footwell lights					
– Reading lights

Interior equipment (cont.)					
Headlining, Anthracite	775	○	○	○	£145
Rear-view mirror, automatically dimming	431	○	●	●	£170
Electrochromic rear-view mirror.					
Rear-view mirror with digital compass	4NA	○	○	○	£70
LED compass readout indicating direction of travel, displayed within the rear-view mirror. Not with 5AC. Only with 430 / 431.					
Smoker's package deletion	441	○	○	○	£0
Replaces ashtray and 12V socket with an open storage area. Additional 12V socket added in passenger footwell. 12V socket in the armrest remains.					
Storage compartment package	493	○	○	○	£155
Contents in addition to the standard storage facilities:					
– Two cupholders in the centre console					
– Folding compartment on driver's side					
– Nets on the backrest rear panel					
– Net in front passenger footwell					
– Partition storage compartment (in the area of the opening for 4UT, removable)					
– One clothes hook on each side, attached to the roll-bar					
– Attachment straps in the luggage compartment					
Through-loading feature with integrated transport bag	4UT	○	○	○	£160
Additional storage to allow for transporting a golf bag or two pairs of skis up to 170cm long with the roof down. Additional luggage through-loads into rear of cabin space.					
Universal remote control	319	○	○	○	£190
Replaces up to three remote controls, for remote control of garage doors and driveway gates for example. Integrated in the rear-view mirror housing. Please ensure technical compatibility with a BMW Dealer before ordering. Only with 430 / 431.

Services and Benefits.

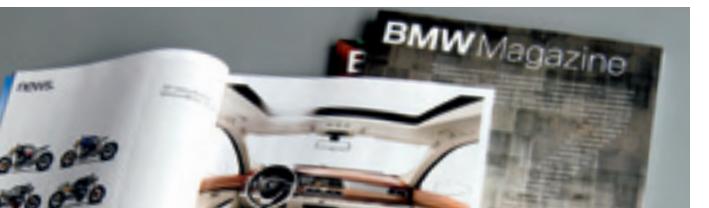

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years' unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years' anti-corrosion warranty and three years' paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

BMW Financial Services

Chances are, you've already decided on the BMW you want to drive. Now discover the perfect finance solution to get you behind the wheel. BMW Financial Services offers a range of tailor-made finance packages to suit you and your budget.

And to help you, at every BMW Dealership, there's a Financial Services Specialist – a dedicated expert who'll find the perfect solution for you. They'll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- **BMW Select (Personal Contract Purchase)**
- **BMW Hire Purchase**
- **BMW Contract Hire**
- **BMW Car Insurance**
- **BMW Home Insurance**
- **BMW Travel Insurance**

For details of your local BMW Dealer, please call 0870 5050 150. Further information on our finance products can be found at www.bmw.co.uk

Finance is subject to status and available to over 18's in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and Online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked your car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports news.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from comfort of your own home.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with the optional Professional Multimedia Navigation system (609) and Bluetooth telephone preparation with telematics (633). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best.

BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

*For further information please contact your local BMW Dealer.

Genuine BMW Accessories

Your choice of car says a great deal about you. Genuine BMW Accessories allow you to make that statement even more personal. There's endless scope for personalising your BMW to suit your needs and style, with a wide range of accessories from exterior and interior styling to mobile communications, all of which have been designed to the same exacting standards as your vehicle. For further details on Genuine BMW Accessories for your BMW, please contact your local BMW Dealer.

BMW Lifestyle

The BMW Lifestyle Collection reflects the exclusivity and versatility of BMW design. This innovative product range demonstrates the highest quality in both materials and functionality. The extensive product portfolio includes clothing and accessories items such as miniatures, keyrings, leather goods, kids' mobility products, golf accessories and yachting products.

BMW Z4.

Urban [mpg / l/100km]	22.8 / 12.4	22.8 / 12.4	20.9 / 13.5
Extra-Urban [mpg / l/100km]	45.6 / 6.2	45.6 / 6.2	40.4 / 7.0
Combined [mpg / l/100km]	33.2 / 8.5	33.2 / 8.5	30.1 / 9.4
CO₂ emissions [g/km]	199	199	219
Emissions classification	EU5	EU5	EU5
Additional technical data			
Luggage capacity [l]	180 - 310	180 - 310	180 - 310
Fuel tank capacity [l]	55	55	55
Curb weight: DIN/EU⁴ [kg]	1405 / 1480	1415 / 1490	1505 / 1580
Rear axle load ratio DIN [%]	51.8	51.4	50.4
Gross weight / Payload [kg]	1735 / 330	1745 / 330	1835 / 330
Permitted axle limit front/rear [kg]	800 / 970	800 / 970	870 / 1000
Drag coefficient [cd]	0.34	0.34	0.35

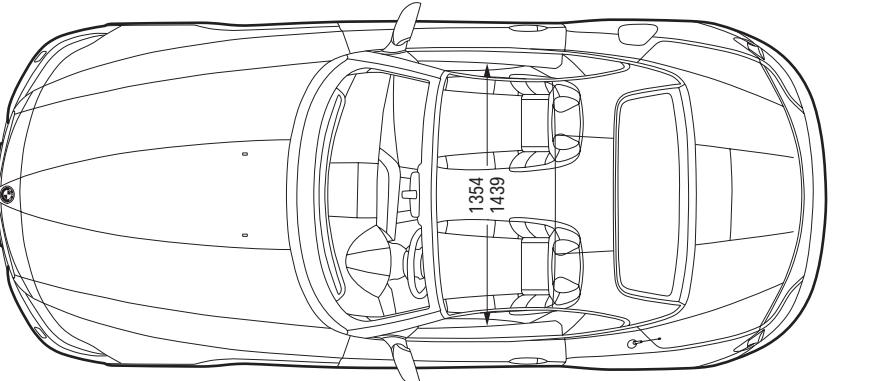

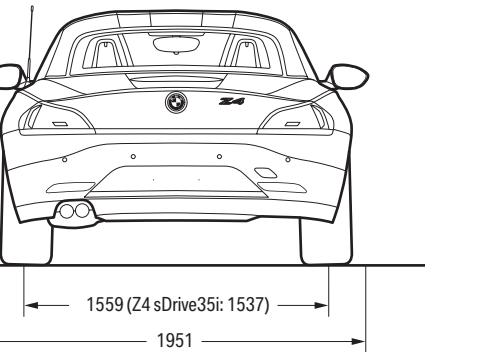

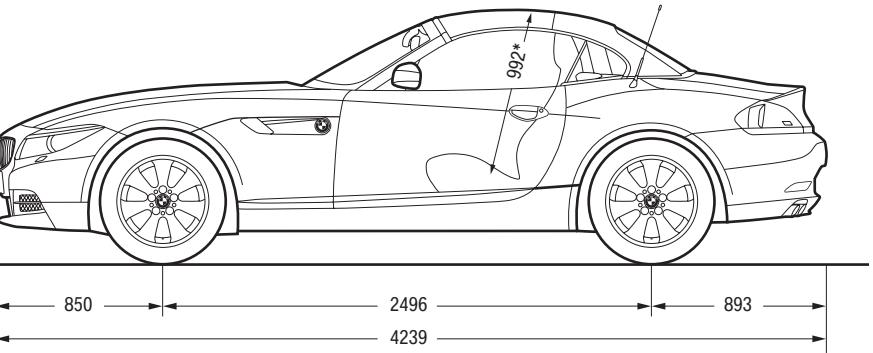

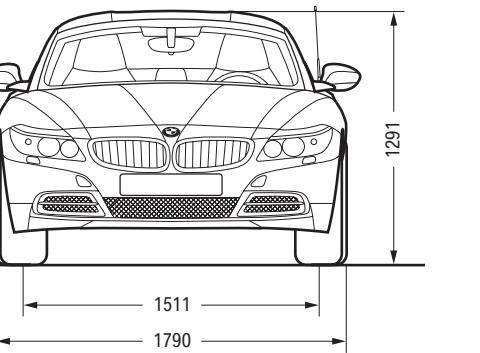

¹ 0-62mph is equal to 0-100km/h.

² The petrol engines are designed for RON 98 grade fuel. They can be run on fuel down to RON 91 (for sDrive35i RON 95-98) with a decrease in power.

³ All engines meet the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption.

⁴ The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

⁵ Electronically limited.

All dimensions in millimetres.
