Hell on earth for cars. Paradise for BMW engineers.

The legendary BMW M1 made history in 1978. It represented the dawn of BMW M cars. It also immediately became the fastest German-built road-going sports car. The M1's no-compromise appearance was the first sign of the central philosophy of BMW M: exclusive race-bred ability made available for the road. Free from compromise yet practical in everyday use. In short, motorsport technology channelled into series production. For the past three decades, BMW M cars have stood for custom-built sporting prowess – right down to the last detail. The moment you climb inside, the exclusivity is apparent. Wherever you look, or touch, workmanship and materials radiate quality. Even the aroma of the interior distinguishes an M car as an exclusive, luxurious vehicle. Yet luxury does not come at the expense of practicality. The interior is designed ergonomically around the driver so that each element is intuitive and rewarding to use. There are other rewards from being in the driving seat, because an M car is the pinnacle for those who crave purity of response. An M car is both inspired and inspiring. There is a cohesive, uncompromised connection between the essential elements – engine, transmission, chassis and aerodynamics. This comes from the direct transfer of motorsport innovations, such as intelligent lightweight construction and a powerful, high-revving engine. It's also a result of extensive testing at the notoriously tough 'Nordschleife' of the Nürburgring circuit in Germany. This is the place where motor racing legends are born, as well as high-performance cars bearing the 'M' insignia – cars that make the same compelling impression on this demanding track as they do on the road.

M Design.

The BMW M3 has the ability to combine uncompromised motorsport character with everyday practicality, and is renowned for its distinctive and sporting design. Striking features such as side gills with the integrated M3 logo, the powerdome on the bonnet, flared wheel arches and four trademark chrome tailpipes ensure that the M3 is instantly recognisable.

Each model follows the established M design philosophy: that ‘form must follow function’. The distinctive rear diffuser, for example, increases downforce at speed. The aerodynamically optimised M exterior mirrors are designed to minimise drag and the imposing front apron has three large air intakes in order to supply the necessary volume of cooling air required by the high-performance powerplant.

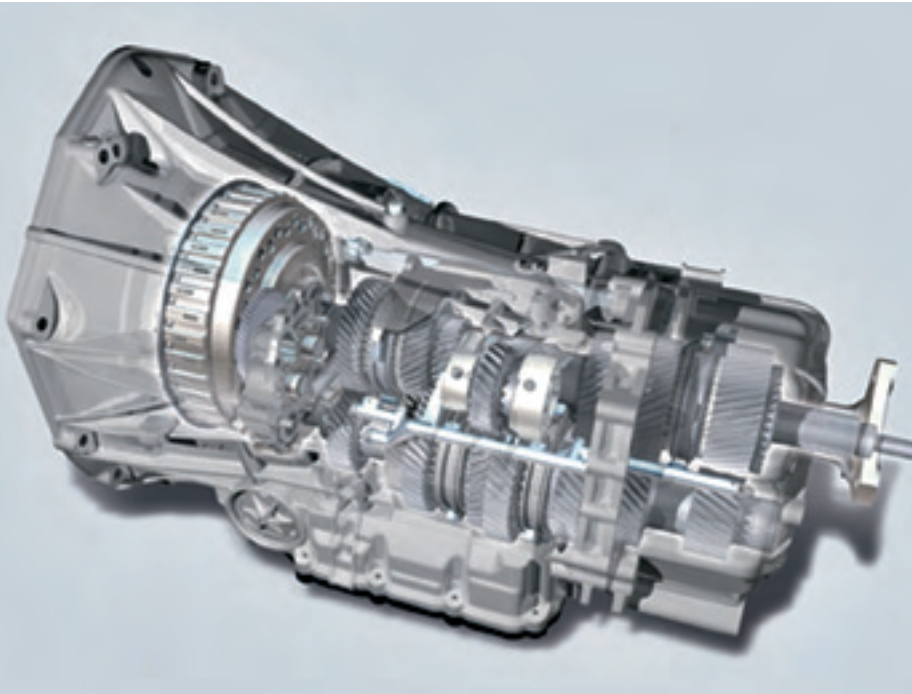

V8 engine.

The M3’s 4.0-litre V8 engine is inspired by motorsport technology – and it shows. The 420hp powerplant remains faithful to the BMW M tradition of high-revving, high-performance engines thanks to its lightweight components. Eight individually-adjustable throttle butterflies give the engine an immediate and direct throttle response at all times, resulting in an impressive maximum engine speed of 8,400rpm and power output of 105hp/litre. All this in an engine that weighs a remarkable 15kg less than its six-cylinder predecessor, proving why the V8 represents the pinnacle of the engine builder’s art.

Seven-speed M Double Clutch Transmission with DRIVELOGIC.

Synonymous with engineering innovation, the BMW M3 sets new standards once again, through the optional seven-speed M Double Clutch Transmission with DRIVELOGIC. M DCT allows M3 drivers to enjoy a thrilling Formula 1 – derived technology and an even more dynamic driving experience. By allowing the process of disengaging one gear and engaging the next to overlap, power delivery remains uninterrupted during gear changes. As a result, all three M3 models reach the 62mph benchmark 0.2 seconds quicker than their six-speed manual equivalents. Another remarkable achievement delivered by this technology is a reduction in fuel consumption and CO₂ emissions by 5%. And thanks to DRIVELOGIC, M DCT can be personalised to match the M3 driver’s preferences, achieving the perfect balance of dynamic performance and comfort.

A personalised driving experience.

The BMW M3 offers a high degree of driver personalisation, allowing the set-up to be adjusted to their own unique driving style. Individual settings for engine response – Power, Dynamic Stability Control Plus, optional Electronic Damper Control and DRIVELOGIC (within M DCT) can be instantly adjusted using buttons on the centre console.

In addition, preferred combinations of settings can be configured and stored via MDrive Manager (within iDrive), and activated by simply pressing the MDrive button on the M leather steering wheel. MDrive Manager also allows the responses of the M Servotronic steering to be switched between two modes – one giving more direct and immediate feedback, the other precise but more comfort oriented, with increased power steering assistance.

BMW M3.

Model	Power output (hp)	0-62mph (secs)	Combined fuel consumption (mpg)	CO ₂ emissions (g/km)	VED band	Insurance group
Petrol

Prices and specifications

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

Key Figures in brackets apply to cars with seven-speed M Double Clutch Transmission (M DCT) with DRIVELOGIC.
Insurance group figures refer to – 20 Group Rating System / 50 Group Rating System.

VED rates

Annual VED rates for brand new cars are determined by their CO₂ emission figure.
BMW M3 models fall into the category listed below:

CO ₂ emissions g/km	Band M 256+
Vehicle Excise Duty	£405

On the road price

The recommended on the road price includes:

Delivery and BMW Emergency Service	£655
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty (12 months)	See left

M3 Coupé, Saloon and Convertible

Engine

- Catalytic converter
- Exhaust system – twin chamber with twin dual tailpipes, chrome-plated
- M Double-VANOS
- V8 engine with four-valve technology, individual throttle butterflies with electronic throttle butterfly control

Transmission

- Six-speed manual transmission with electronically controlled oil cooling

Wheels and chassis

- 18" light alloy M Double-spoke style 219M wheels in Dark Graphite
- Compound disc brakes – front and rear, ventilated and cross-drilled
- M Mobility tyre sealing system
- M Servotronic steering
- M Sport suspension with double-joint spring strut front axle, sub-frame, front axle tie-rod and stiffening plate in aluminium, rear axle sub-frame in steel, track control arm and spring strut in aluminium and lightweight steel construction
- Variable M differential lock

Safety and technology

- Airbags:
 - Driver and front passenger, front and side
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Check control warning system
- Cruise control
- Daytime running lights
- Dynamic brake lights
- Dynamic Stability Control Plus (DSC+) with M Dynamic mode comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Stability Control (ASC)
 - Cornering Brake Control (CBC)
 - Electronic Brake-force Distribution (EBD)
 - Engine Drag Torque Control (MSR)
 - Hill-start assistant

Safety and technology (cont.)

- First Aid kit and warning triangle
- Foglights, rear
- Follow-me-home headlight function
- Head restraints - front, anti-whiplash
- Head restraints, rear
- Headlight wash
- MDrive Manager
- On-Board Diagnosis (OBD)
- Park Distance Control (PDC), rear
- Rain sensor with automatic headlight activation
- Seat belts – front, inertia reel pyrotechnical belt latch tensioner and belt force limiter
- Tyre Puncture Warning System (TPWS)
- Visible VIN
- Windscreen washer jets, heated
- Windscreen wipers – two-speed with adjustable intervals
- Xenon headlights

Seats

- Child seat ISOFIX attachments, front and rear with passenger airbag deactivation
- Lumbar support, driver and front passenger
- M Sport seats – front, electric adjustment with driver memory
- Novillo leather upholstery
- Seat backrest width adjustment

Exterior equipment

- Door handles – bow-type, body-coloured
- Indicator lenses, clear
- Kidney grille, chrome with black vertical slats
- M aerodynamic bodystyling
- M Exterior mirrors – aspheric, blue tinted, heated, electric adjustment with memory, body-coloured, and aerodynamically optimised with two-leg base in black
- Metallic paintwork
- Powerdome with air vents
- Side gills with integrated indicators and M3 logo
- Welcome lights, parking lights and rear lights activated through the remote control function

Interior equipment

- Air conditioning, automatic with two-zone control
- Armrest – front, with storage compartment
- Cup holders, front
- Door sill finishers with BMW M3 designation
- Electric windows, with open/close fingertip control
- Extended lighting comprising:
 - Door handle illumination
 - Exit lighting, front
 - Footwell lights, front
 - Illuminated vanity mirrors
 - Luggage compartment light
 - Reading lights, front and rear
- Floor mats, velour
- Interior trim, Titanium Shadow
- Lights-on warning
- M instrument panel comprising red-illuminated needles and white illuminated display with variable M rev limiter
- M multi-function leather steering wheel with seams in M colours
- Rear-view mirror, automatically dimming
- Smoker's package
- Start-Stop button
- Steering column with manual reach and rake adjustment
- Sun visors with illuminated vanity mirrors
- Toolkit located in luggage compartment

Audio and communication

- Auxiliary input point for auxiliary playing devices (e.g. MP3 player)
- CD changer preparation
- Navigation system – BMW Professional Multimedia:
 - iDrive Controller with intuitive operation and shortcut buttons
 - High-resolution Control Display with 8.8" colour flat screen (LCD)
 - Built-in hard disc for improved speed of operation and data storage
 - Detailed navigation map and options to enhance route planning
 - Multimedia capacity with 12GB storage for audio files
 - Favourite buttons
 - Traffic Message Channel (TMC)
 - DVD playback functionality
- On-Board Computer (OBC) comprising:
 - Average speed
 - Fuel consumption and range
 - Journey computer
 - Outside temperature display
 - Speed limit function
 - Stop watch
- Personal Profile

M3 Coupé

Additional standard equipment

- Ambient interior lighting – light band in door and side trim
- Carbon-fibre roof
- Exterior trim, Matt Black
- Four seats
- Headlining, Anthracite
- High level third brake light
- ITS head airbags
- Passenger seat occupancy sensor, front
- Rear seat easy access system
- Seat belt handover – front, electric
- Seat belts – rear, two with inertia reel
- Shark-fin aerial
- Split-folding rear seat
- Storage compartment in door trim panels, folding
- Storage compartment with cover in rear centre console
- Storage nets on seat backrests

M3 Saloon

Additional standard equipment

- Exterior trim, Matt Black
- Five seats
- Headlining, Anthracite
- ITS head airbags
- Seat belts – rear, three with inertia reel
- Shark-fin aerial

M3 Convertible

Additional standard equipment

- Ambient interior lighting – light band in door and side trim
- Exterior trim, Matt Aluminium
- Four seats
- Luggage compartment loading function
- Rear seat easy access system
- Retractable Hard-Top (RHT)
- Seat backrests – rear, foldable for level storage area
- Seat belts – rear, two with inertia reel
- Side airbags – driver and front passenger with combined head airbag
- Storage area separating luggage compartment and cabin
- Storage compartment in door panels, folding
- Storage compartment with cover in rear centre console
- Storage nets on seat backrests
- SunReflective Technology for leather upholstery
- Third brake light, integrated into luggage compartment lid

The most exclusive way to drive a BMW

The higher your standards, the less room there is for compromise. For drivers with the most exacting standards BMW Individual offers a range of stunning and perfectly-crafted materials to ensure that the expression of individuality has never felt so effortless.

A BMW Individual paint finish is more than just a colour, each has its own characteristic brilliance and complexity. Five layers deep, the depth of colour is more sophisticated than the regular metallic paints thanks to special pigmentation. Xirallic or Titanium Dioxide pigments create an iridescent effect which gives the colours an unmistakable brilliance in the light.

Inside, the level of exclusivity can be continued with the distinctive yet subtle tones of BMW Individual Novillo leather. A painstaking refinement process ensures that the leather is kept soft and supple, retaining a unique feel throughout its life as well as meeting the practical demands of a luxury car. And just to complete the interior, you can choose from the hand-picked wood trims that ensure the perfect grain every time.

Let yourself be inspired with BMW Individual.

Services and Benefits.

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years’ unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years’ anti-corrosion warranty and three years’ paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

And to help you, at every BMW Dealership, there's a Financial Services Specialist – a dedicated expert who'll find the perfect solution for you. They'll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- **BMW Select (Personal Contract Purchase)**
- **BMW Hire Purchase**
- **BMW Contract Hire**
- **BMW Car Insurance**
- **BMW Home Insurance**
- **BMW Travel Insurance**

For details of your local BMW Dealer, please call 0870 5050 150. Further information on our finance products can be found at www.bmw.co.uk

Finance is subject to status and available to over 18's in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and Online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked your car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports news.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Aftersales.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from comfort of your own home.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with optional Bluetooth telephone preparation with telematics (633). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

*For further information please contact your local BMW Dealer.

Genuine BMW Accessories

Your choice of car says a great deal about you. Genuine BMW Accessories allow you to make that statement even more personal. There's endless scope for personalising your BMW to suit your needs and style, with a wide range of accessories from exterior and interior styling to mobile communications, all of which have been designed to the same exacting standards as your vehicle. For further details on Genuine BMW Accessories for your BMW, please contact your local BMW Dealer.

BMW Lifestyle

The BMW Lifestyle Collection reflects the exclusivity and versatility of BMW design. This innovative product range demonstrates the highest quality in both materials and functionality. The extensive product portfolio includes clothing and accessories items such as miniatures, keyrings, leather goods, kids' mobility products, golf accessories and yachting products.
