34	Technical data

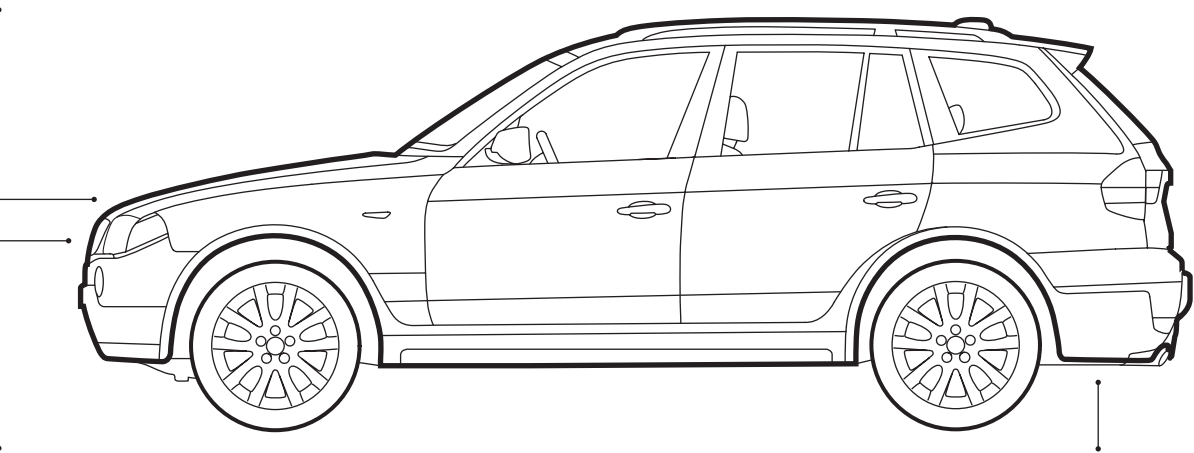

This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. A change in philosophy, this programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

Common-rail injection system

The third-generation, electronically controlled common-rail injection system generates injection pressure of up to 1,800 bar. So fuel injection is even more precise and finely measured, thus reducing consumption as well as exhaust emission levels, while boosting engine power. (Standard on xDrive18d, xDrive20d, xDrive30d, xDrive35d.)

Active Aerodynamics

Engine management signals the engine's current cooling capacity requirements constantly while driving. Rendering a permanent airstream through the radiator unnecessary. The air vents in front of the radiator open or close depending on the environmental temperature and road speed. When shut they improve aerodynamics, shorten the engine's warm-up time and so reduce fuel consumption. (Standard on xDrive18d, xDrive20d, xDrive25i, xDrive30d – SE models only.)

Lightweight Engineering

Our engineers use aluminium where lighter materials are more expedient, for instance in the front section or for the suspension. The six-cylinder in-line petrol engine, for instance, is composed of aluminium and magnesium, making these engines the lightest in their class. These weight savings lead to lower fuel consumption and better axle load distribution, for more agility, especially in bends.

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

And this is what comes out.

BMW already offers 80 models* with CO₂ emissions of 140g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

BMW X3.

VED rates

Annual VED rates for brand new cars are determined by their CO₂ emission figure.
BMW X3 models fall into one of the six categories listed below:

CO ₂ emissions g/km	Band G 151-165	Band H 166-175	Band I 176-185	Band J 186-200	Band K 201-225	Band L 226-255
Vehicle Excise Duty	£150	£175	£175	£215	£215	£405

On the road price

The recommended on the road price includes:

Delivery and BMW Emergency Service	£655
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty (12 months)	See left

X3 xDrive18d / xDrive20d SE

Engine

- Catalytic converter
- Diesel Particulate Filter (DPF)
- Digital Diesel Electronics (DDE)
- EU5 emissions management
- Four-cylinder in-line diesel engine with common-rail technology
- Iron engine block and light alloy cylinder head

Transmission

- Six-speed manual transmission
- xDrive four-wheel-drive system with fully-variable torque split

Wheels and chassis

- 17" light alloy Double-spoke style 148 wheels
- Disc brakes, front and rear, ventilated
- Power-assisted steering, hydraulic
- Space-saving spare wheel

Safety and technology

- Airbags comprising:
 - Driver and passenger, front and side
 - Crash sensor activating central locking release, hazard warning lights, fuel cut-off and interior lighting
 - ITS head airbags, front and rear
 - Passenger airbag deactivation, front
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Anti-roll bars, front and rear
- Brake Force Display
- Child locking system, rear doors
- Cruise control
- Deformation zones – front and rear with door reinforcements and bumpers that regenerate to their original shape in impacts of up to 2.5mph (4km/h)

Safety and technology (cont.)

- Dynamic Stability Control Plus (DSC+) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Differential Brake (ADB-X)
 - Automatic Stability Control (ASC-X)
 - Brake drying
 - Brake fade compensation
 - Brake pre-tensioning
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Electronic Brake-force Distribution (EBD)
 - Hill Descent Control (HDC)
 - Hill-start assistant
- First Aid kit and warning triangle
- Foglights, front and rear
- Headlight height adjustment
- Head restraints – front and rear (anti-whiplash in front)
- High level third brake light
- Incorrect fuelling protection system (diesel models only)
- Park Distance Control (PDC), front and rear
- Rain sensor with automatic headlight activation
- Seat belts – front, inertia reel with pyrotechnic belt latch tensioner, belt force limiter, belt restrainer and manual height adjustment
- Seat belts – rear, three with inertia reel
- Side impact protection
- Tyre Puncture Warning System (TPWS)
- Wheel bolts, locking

Seats

- 60:40 split-folding rear seat
- Child seat ISOFIX attachments, front and rear
- Standard seats, manual adjustment
- Twill cloth upholstery

Exterior equipment

- All round anti-corrosion system with partial hot galvanising, phosphate treatment and cathodic dip painting, preservation of hollow cavities, underfloor protection
- Door handles, rain channel and roof moulding, body-coloured
- Exhaust tailpipe – single, stainless steel
- Exterior mirrors – aspheric, tinted, heated with electric adjustment
- Indicator lenses, clear
- Kidney grille, chrome with black vertical slats
- Roof rails, Black

Interior equipment

- Air conditioning, automatic
- Armrest – front, with storage compartment
- Battery in luggage compartment with jump-start facility in engine bay
- Boot space illumination
- Courtesy lights with soft on/off dimming
- Cup holders, front and rear
- Door sill finishers in aluminium with BMW designation
- Electric windows – front and rear, with open/close fingertip control, anti-trap facility and comfort closing function all round

Interior equipment (cont.)

- Floor mats, velour
- Footwell lights, front
- Glove compartment, lockable and illuminated
- Grab handles – four with damped folding action and coat hooks in rear
- Handbrake lever, gear lever knob and gaiters in leather
- Instrument binnacle with speedometer, tachometer, fuel level and coolant temperature
- Interior trim, Matt Titanium
- Leather steering wheel, three-spoke with multi-function
- Luggage compartment cover, retractable and removable
- Power sockets, twin 12V in luggage compartment
- Reading lights, front and rear
- Rear-view mirror, automatically dimming
- Smoker’s package
- Steering column with manual reach and rake adjustment
- Storage compartments in centre console and front interior door panels
- Sun visors with illuminated vanity mirrors
- Toolkit located in luggage compartment
- Windows – heat-insulated, green-tinted all round

Audio and communication

- Auxiliary input for auxiliary playing devices
- BMW Business radio with single CD player (with MP3 playback capability)
- CD changer preparation
- Loudspeaker system with six speakers
- On-Board Computer (OBC) comprising:
 - Average speed
 - Fuel consumption (average) and range
 - Outside temperature display

X3 xDrive20d SE Edition Premium
Equipment in addition / replacement to xDrive18d / xDrive20d SE

- 17" light alloy V-spoke style 279 wheels
- Exhaust tailpipe – single, chrome
- Interior trim, Space Grey metallic
- Kidney grille, chrome with graphite vertical slats
- Metallic paintwork
- Pearlpoint cloth/leather upholstery

X3 xDrive20d SE Edition Exclusive
Equipment in addition / replacement to xDrive18d / xDrive20d SE

- 18" light alloy Y-spoke style 280 wheels
- Exhaust tailpipe – single, chrome
- Extended lighting
- Headlight wash
- Interior trim, Light Walnut wood
- Kidney grille, chrome with graphite vertical slats
- Metallic paintwork
- Nevada leather upholstery
- Xenon headlights

X3 xDrive25i SE
Equipment in addition / replacement to xDrive18d / xDrive20d SE

- Chrome to lower side windows
- Cylinder specific knock control
- Digital Motor Electronics (DME)
- Double-VANOS
- EU4 emissions management
- Exhaust tailpipes – twin, chrome
- Headlight wash
- Kidney grille, chrome with graphite vertical slats
- Light alloy engine block and cylinder head
- Six-cylinder in-line petrol engine with four-valve technology
- Sport leather steering wheel, three-spoke with multi-function
- VALVETRONIC engine management

X3 xDrive30d SE
Equipment in addition / replacement to xDrive25i SE

- Diesel particulate filter
- Digital Diesel Electronics (DDE)
- Incorrect fuelling protection system (diesel models only)
- Iron engine block and light alloy cylinder head
- Metallic paintwork
- Turbo

X3 xDrive35d SE
Equipment in addition / replacement to xDrive30d SE

- 18" light alloy Double-spoke style 205 wheels
- Exhaust tailpipes – twin, chrome with larger diameter
- Kidney grille, chrome with titan vertical slats
- Pedals – stainless steel
- Rear bumper lower valance re-profiled
- Six-speed automatic transmission with Steptronic
- Two-stage twin-turbo
- Uprated front brakes, larger diameter and thicker discs

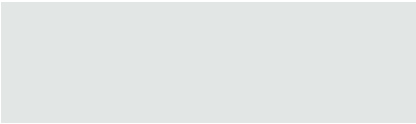

All M Sport models
Equipment in addition / replacement to SE models

- 18" light alloy M Double-spoke style 192M wheels with 235/45 R19 front
- Door sill finishers with M designation
- Exterior trim, High-gloss Shadowline
- Headlining, Anthracite
- M aerodynamic bodystyling
- M leather gear lever
- M Sport multi-function leather steering wheel, three-spoke
- Sport seats, front
- Sport suspension

X3 xDrive20d Limited Sport Edition
Equipment in addition / replacement to xDrive20d M Sport

- 19" light alloy M Y-spoke style 191M wheels with 235/45 R19 front
- Adaptive Headlights
- Alcantara / Nappa leather upholstery
- Door sill finishers with Limited Sport Edition designation
- Exhaust tailpipe - single, matt aluminium
- Headlight wash
- Interior trim, Brushed Aluminium
- Kidney grille, chrome with titan vertical slats
- Metallic paint
- Servotronic power steering
- Xenon headlights

The most exclusive way to drive a BMW

The higher your standards, the less room there is for compromise. For drivers with the most exacting standards BMW Individual offers a range of stunning and perfectly-crafted materials to ensure that the expression of individuality has never felt so effortless.

A BMW Individual paint finish is more than just a colour, each has its own characteristic brilliance and complexity. Five layers deep, the depth of colour is more sophisticated than the regular metallic paints thanks to special pigmentation. Xirallic or Titanium Dioxide pigments create an iridescent effect which gives the colours an unmistakable brilliance in the light.

Let yourself be inspired with BMW Individual.

Please note – image does not depict roof rails which are standard on X3 models in the UK and Republic of Ireland.

Services and Benefits.

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years’ unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years’ anti-corrosion warranty and three years’ paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

BMW Financial Services

Chances are, you’ve already decided on the BMW you want to drive. Now discover the perfect finance solution to get you behind the wheel. BMW Financial Services offers a range of tailor-made finance packages to suit you and your budget.

And to help you, at every BMW Dealership, there’s a Financial Services Specialist – a dedicated expert who’ll find the perfect solution for you. They’ll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- BMW Select (Personal Contract Purchase)
- BMW Hire Purchase
- BMW Contract Hire
- BMW Car Insurance
- BMW Home Insurance
- BMW Travel Insurance

For details of your local BMW Dealer, please call 0870 5050 150. Further information on our finance products can be found at www.bmw.co.uk

Finance is subject to status and available to over 18’s in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with an optional Navigation system – Professional (609) and Bluetooth telephone preparation with telematics (633) or with a Media package (ZXM). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

BMW X3.

All dimensions in millimetres.

¹ 0-62mph is equal to 0-100km/h.

² The petrol engine is designed for RON 98 grade fuel. It can be run on fuel down to RON 91 with a decrease in power.

³ All BMW X3 engines comply at least to EU4 emissions standards. xDrive18d and xDrive20d models comply with EU5 emissions standards. Fuel consumption is determined according to the ECE combined driving cycle in which approx. one third of the distance covered is in urban traffic and two thirds are extra urban driving. CO₂ emissions are measured in addition to fuel consumption.

⁴ The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

⁵ The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download. Based at 12% / 8%.

⁶ M Sport models.

⁷ Models with Panoramic glass sunroof.

Figures in () apply to vehicles with six-speed automatic transmission.
