THE NEW BMW 5 SERIES SALOON.

JOY IS AN EXPLORATION OF BEAUTY.

A combination of elegant yet sporty styling, a high-quality, luxurious interior and trademark BMW driving dynamics means the new BMW 5 Series Saloon continues to set the benchmark in its class. Available with a broad line-up of EfficientDynamics-equipped petrol and diesel engines, the new BMW 5 Series Saloon can also be specified with a wide variety of optional equipment. These include a host of innovative driver assistance systems including Surround-view, Park Assist and Night Vision with pedestrian recognition.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and fuel economy, without compromising on performance and driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower BIK percentage rate for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW 5 Series at www.bmw.co.uk/efficientdynamics.
