THE BMW 5 SERIES TOURING.

VERSATILITY MEETS PERFECTION.

A great idea is often the result of a challenging question. Take the BMW 5 Series Touring, for example. The question concerned unifying the renowned sporting dynamism of BMW with spacious practicality and luxurious comfort. There was never a doubt that it could be achieved, however. The real challenge was to deliver new heights of personal satisfaction in every area. Enhanced driving pleasure on all levels. That's why this BMW offers so much when it comes to adaptable, innovative space, performance, advanced technology and elegant style. The BMW 5 Series Touring. An inspirational idea.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and fuel economy, without compromising on performance and driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower BIK percentage rate for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW 5 Series at www.bmw.co.uk/efficientdynamics.
