Less emissions. More driving pleasure.

THE NEW BMW X5.

JOY IS AT HOME ANYWHERE.

In some places, outstanding achievements are a daily occurrence. The new BMW X5 is one of them. Each time you drive it, you experience dynamic ability at a new, heightened level. The agile, athletic-looking design signals as much, yet it also clothes a remarkably spacious interior with the potential to seat seven. It looks assured, luxurious and immensely capable. These too, are features you'll notice from the behind the wheel. The new BMW X5, it's exclusivity on a higher plane.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance and driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower BIK percentage rate for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW X5 at www.bmw.co.uk/efficientdynamics.
