FROM APRIL 2010.

BMW EfficientDynamics 
Less emissions. More driving pleasure.

THE BMW X3.

JOY IS LIFE THE WAY YOU LIVE IT.

When you value the freedom just to get up and go, it's good to have a close companion that shares your outlook. A car that looks great against any backdrop, be it a winding mountain pass or the baroque facade of an opera house. The road less travelled has never been more inviting, or accessible, than with the BMW X3. And with a wide range of optional equipment and engines to choose from, you can make that journey even more enjoyable.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance and driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower BIK percentage rate for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW X3 at www.bmw.co.uk/efficientdynamics.

A GUIDE TO TRIM LEVELS.

The BMW X3 is available in a variety of trim levels, each providing a different level of standard specification. The below table highlights some of the equipment differences between the trim levels, whilst full details can be found in the BMW X3 model brochure.
