# SENSIBLE REASONS TO CHOOSE A MINI

Class-leading drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that's certainly not the whole story. Here are some other things you might find interesting:

## LOWER EMISSIONS AND LOWER FUEL CONSUMPTION

MINIMALISM is our name for a range of engineering advances that have resulted in a reduction of between 19 and 28% in emissions and a substantial increase in fuel efficiency across the MINI range. For example the MINI Cooper D Clubman achieves 72.4mpg on the combined cycle and emits only 103g/km of CO<sub>2</sub>. This has a positive impact on your annual car tax.

Compare your favourite MINI model against other cars on [www.mini.co.uk](http://www.mini.co.uk) to see just how well we perform.

## SERVICING

But won't a MINI be expensive to service you ask? Nope. We've made sure of that by offering every new MINI owner their first 5 years servicing (or 50,000 miles whichever is sooner) for a one off payment. We call this MINI tlc. And for even more peace of mind, with MINI tlc XL you can get 3 more years or 30,000 miles of servicing, again for a one off fixed cost. For further information including full pricing, terms and conditions visit [www.mini.co.uk/aftersales](http://www.mini.co.uk/aftersales) or contact your MINI Dealer.

## DEPRECIATION

MINI's are famous for holding their value well. It's one of the factors that the car magazines take into account when looking at the 'real' ownership costs of any car, so a handy thing to check while you're researching your next car purchase.

## FLEXIBLE FINANCE

It's these slow depreciation rates that allow MINI Financial Services to offer you a flexible way to get into a MINI\*, by giving you options at the end of your agreement. Our Select product offers you fixed regular payments at a level you can afford and the opportunity to change your MINI for a new one every 2-4 years without any hassle\*. What's more, we'll guarantee what your MINI will be worth at the end of your agreement if you decide to hand your MINI back, so you don't have to worry about depreciation. While we're at it we can also insure you at competitive rates, all dependent on your personal circumstances of course. All of this can be done at your dealer when you order your new MINI.

## GENUINE MINI ACCESSORIES

Genuine MINI Accessories is the only range that is approved by the people that built the MINI. Every item is at one with the design, build and spirit of this uncompromising car. Pick from masses of exterior accessories including decals, alloy wheels, roof racks and mirror covers. It's the same with the interior, where the range extends from the leather gear lever knobs and gaiters to DVD systems for rear seat entertainment. Whichever you choose, Genuine MINI Accessories are sure to make your MINI more you. Just as important, they won't make it any less MINI. For details of the full range available pick up an accessories brochure from your local MINI Dealer or visit: [www.mini.co.uk/accessories](http://www.mini.co.uk/accessories).

## OUR DEALERS

Last but certainly not least, our lovely dealerships. Since you're holding this price list, you may have already been into one of them. Our dealers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.
