THE BMW 3 SERIES TOURING.

JOY IS THE POWER OF POSSIBILITIES.

Over five generations, the BMW 3 Series has set the benchmark for exceptional dynamics and compelling style. 50:50 weight distribution, rear-wheel drive and a range of advanced petrol and diesel engines all combine to produce the definitive sports tourer and an unrivalled driving experience. Add to this a variety of practical and versatile storage solutions, including 60:40 split-folding rear seats and split-tailgate, and the 3 Series Touring provides the perfect solution for carrying passengers and luggage.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW 3 Series model at www.bmw.co.uk/EfficientDynamics.
