THE NEW BMW X6. UNIQUELY DIFFERENT.

This vehicle is like none other. It unites apparent opposites, such as size with agility and sportiness with elegance. It's a sport car that also feels at home away from the road. A Coupé and an SUV. Its design language reads like a guide to being strikingly different. That's why we have created a separate vehicle category for the BMW X6 – the Sports Activity Coupé. These three words encompass everything that makes the new BMW X6 so special and it's apparent at first sight. This car is simply more dynamic, more versatile and more impressive – in short, it's unique.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW X6 model at www.bmw.co.uk/EfficientDynamics.

VED rates

VED rates for brand new cars are determined by their CO₂ emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. BMW X6 models fall into one of the four categories listed below:

CO ₂ emissions (g/km)	Band J 186-200	Band K 201-225	Band L 226-255	Band M >255
First year VED	£445	£580	£790	£1000
Annual VED (second year onwards)	£245	£260	£445	£460

Key

Insurance group figures refer to 50 Group Rating System.

On the road price

The recommended on the road price includes:
Delivery and BMW Emergency Service £700
Number plates £25
Vehicle first registration fee £55
First year Vehicle Excise Duty See left
