**MINI BAKER STREET.
MINI BAYSWATER.
MINI HIGHGATE.**

PRICE LIST FROM APRIL 2012.

MINI BAKER STREET.

Baker Street: the home of one of fiction's greatest sleuths, and one of the most buzzing streets in the capital. Modern and full of life, it is renowned as a centre of style. It is also the inspiration behind the MINI Baker Street, which combines unique colours, elegant materials and customised bonnet stripes.

This special edition model is available with a Rooftop Grey metallic exterior finish, as well as two other exterior colours. The interior features cloth/leather seats with the Cross Check design, finished in Rooftop Grey Light and Anthracite, combining elegantly with the colour scheme. These are paired with interior surfaces in Cross Check Rooftop Grey

Light, and contrast stitching on the floor mats, gearshift gaiter and handbrake gaiter. Together, these details provide a vehicle that's designed to express your individuality.

Exclusive details as standard: the MINI Baker Street boasts striking interior surfaces and a selection of features developed especially for this special edition model. It offers unique 16" alloy wheels in Jet Black, while the side scuttles, door sill finishers and seat badges all bear the model name. The inimitable Cross Check design further emphasises the quality of the seats and interior surfaces. The MINI Baker Street is a true personality, and is decidedly different.

MINI BAYSWATER.

Bayswater: known throughout the city for its imposing Victorian-era buildings. Reflecting the area's style and elegance, the MINI Bayswater features high-quality, 17" alloy wheels as standard. The model offers a package of eye-catching details, such as bonnet stripes and contrasting exterior mirror caps, designed specially for the MINI Bayswater. Exclusive, sporty Kite Blue metallic paint comes as standard, or there's a choice of another two metallic paint colours.

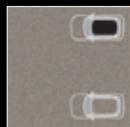

The MINI Bayswater is the sportiest of the three new MINI special edition models. High-quality leather seats with eye-catching contrast stitching in brown and blue, along with Piano Black Bayswater interior surfaces, characterise its dynamic looks. As on all MINI special editions, the vehicle's name is emblazoned on the side scuttles, seat badges and door sill finishers. Particularly eye-catching are the 17" alloy wheels, fitted as standard, and the unique design of the exterior mirror caps. The result is a vehicle that's individual, athletic and entirely bespoke.

MINI HIGHGATE.

Highgate: an exclusive residential area renowned for its historical architecture. This sense of tradition is embodied in the new MINI Highgate, which combines exceptional design, exclusive interior details and the finest materials. The new exterior finish of Iced Chocolate metallic, the Silvertouched Truffle soft-top, bonnet stripes and flashes of light blue in the interior lend this special edition model its extravagant, unique character.

An interior that is as unique as the exterior. With the roof down, the exclusive interior details of the vehicle can be fully admired. The Dark Truffle Lounge leather seats with silver contrast stitching and light blue piping are particularly elegant, as is the Colour Line in Dark Truffle leather with silver double stitching. The Highgate name is also featured on the seat badges, door sill finishers and side scuttles, with interior surfaces in Suntouched brushed aluminium. This special edition model sits on 17" alloy wheels, completing a unique package of quality design.

SENSIBLE REASONS TO CHOOSE A MINI

Class-leading drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that's certainly not the whole story. Here are some other things you might find interesting:

LOWER EMISSIONS AND LOWER FUEL CONSUMPTION

MINIMALISM is our name for a range of engineering advances that have resulted in a reduction of between 19 and 28% in emissions and a substantial increase in fuel efficiency across the MINI range. For example the MINI Cooper D Baker Street achieves 74.3mpg on the combined cycle and emits only 99g/km of CO₂. This has a positive impact on your annual car tax.

Compare your favourite MINI model against other cars on www.mini.co.uk to see just how well we perform.

SERVICING

But won't a MINI be expensive to service you ask? Nope. We've made sure of that by offering every new MINI owner their first 5 years servicing (or 50,000 miles whichever is sooner) for a one off payment. We call this MINI tlc. And for even more peace of mind, with MINI tlc XL you can get 3 more years or 30,000 miles of servicing, again for a one off fixed cost. For further information including full pricing, terms and conditions visit www.mini.co.uk/aftersales or contact your MINI Dealer.

DEPRECIATION

MINIs are famous for holding their value well. It's one of the factors that the car magazines take into account when looking at the 'real' ownership costs of any car, so a handy thing to check while you're researching your next car purchase.

FLEXIBLE FINANCE

It's these slow depreciation rates that allow MINI Financial Services to offer you a flexible way to get into a MINI*, by giving you options at the end of your agreement. Our Select product offers you fixed regular payments at a level you can afford and the opportunity to change your MINI for a new one every 2-4 years without any hassle*. What's more, we'll guarantee what your MINI will be worth at the end of your agreement if you decide to hand your MINI back, so you don't have to worry about depreciation. While we're at it we can also insure you at competitive rates, all dependent on your personal circumstances of course. All of this can be done at your dealer when you order your new MINI.

GENUINE MINI ACCESSORIES

Genuine MINI Accessories is the only range that is approved by the people that built the MINI. Every item is at one with the design, build and spirit of this uncompromising car. Pick from masses of exterior accessories including decals, alloy wheels, roof racks and mirror covers. It's the same with the interior, where the range extends from the leather gear lever knobs and gaiters to DVD systems for rear seat entertainment. Whichever you choose, Genuine MINI Accessories are sure to make your MINI more you. Just as important, they won't make it any less MINI. For details of the full range available pick up an accessories brochure from your local MINI Dealer or visit: www.mini.co.uk/accessories.

OUR DEALERS

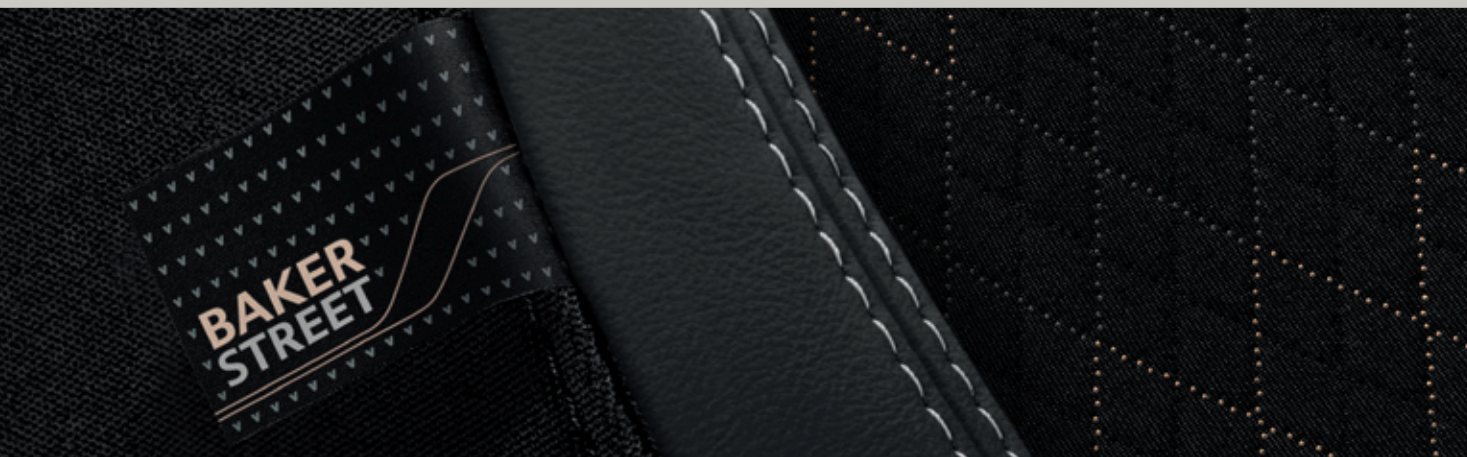

Last but certainly not least, our lovely dealerships. Since you're holding this price list, you may have already been into one of them. Our dealers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.

*Finance subject to status and available to over 18's in the UK only (excluding the Channel Islands). Guarantees and indemnities may be required. We can arrange finance and hiring facilities for you. Finance provided by MINI Financial Services, Europa House, Bartley Way, Hook, Hampshire RG27 9UF.
