THE BMW M3.

THE SOUL OF FORMULA M.

The BMW M3 combines legendary motorsport character with everyday functionality. A newly developed high-revving V8 engine, outstanding agility and unparalleled driving dynamics ensure that this fourth-generation M3 is as impressive on the road as it is on the racetrack.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against the BMW M3 at www.bmw.co.uk/EfficientDynamics.

On the road price

The recommended on the road price includes:

Delivery and BMW Emergency Service	£700
Number plates	£25
Vehicle first registration fee	£55
First year Vehicle Excise Duty	See right

Prices and specifications

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

Figures in brackets apply to cars with seven-speed M Double Clutch Transmission (M DCT) with DRIVELOGIC. Insurance group figures refer to 50 Group Rating System.

VED rates

VED rates for brand new cars are determined by their CO₂ emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. BMW M3 models fall into the category listed below:

CO ₂ emissions (g/km)	Band M >255
First year VED	£1030
Annual VED (second year onwards)	£475

STANDARD EQUIPMENT HIGHLIGHTS.

The below table highlights some of the equipment available on the BMW M3 range, full details can be found in the BMW M3 model Brochure.

BMW M3

- 18" light alloy M Double-spoke style 260 M, Dark Graphite
- Carbon-fibre roof (Coupé only)
- DAB digital radio
- Lumbar support, driver and front passenger
- M aerodynamic bodystyling
- M instrument panel with Red illuminated needles and White illuminated display
- M multi-function leather steering wheel with seams in M colours
- M Servotronic steering
- M Sport seats – front, electric adjustment with driver memory
- M Sport suspension
- MDrive Manager
- Metallic paintwork
- Navigation system – BMW Professional Multimedia
- Novillo leather upholstery
- Powerdome with air vents
- Side gills with intergrated indicators and M3 logo
- Variable M differential lock
- Xenon headlights

SEVEN-SPEED M DOUBLE CLUTCH TRANSMISSION WITH DRIVELAGIC.

Optional M DCT allows M3 drivers to enjoy a thrilling Formula 1 derived technology and an even more dynamic driving experience. By allowing the process of disengaging one gear and engaging the next to overlap, power delivery remains uninterrupted during gear changes. As a result, all three M3 models reach the 62mph benchmark 0.2 seconds quicker than their six-speed manual equivalents and achieve a reduction in fuel consumption and CO₂ emissions of around 10%. And thanks to DRIVELAGIC, M DCT can be personalised to match the M3 driver's preferences, achieving the perfect balance of dynamic performance and comfort.

V8 ENGINE.

The M3's 4.0 litre V8 engine is inspired by motorsport technology – and it shows. The 420hp powerplant remains faithful to the BMW M tradition of high-revving, high-performance engines thanks to its lightweight components. Eight individually-adjustable throttle butterflies give the engine an immediate and direct throttle response at all times, resulting in an impressive maximum engine speed of 8,400rpm and a power output of 105hp/litre.

A PERSONALISED DRIVING EXPERIENCE.

The BMW M3 offers a high degree of driver personalisation, allowing the set-up to be adjusted to their own unique driving style. Individual settings for engine response – Power, Dynamic Stability Control Plus, optional Electronic Damper Control and DRIVELAGIC (within M DCT) can be instantly adjusted using buttons on the centre console. In addition, preferred combinations of settings can be configured and stored via MDrive Manager (within iDrive), and activated by simply pressing the MDrive button on the M leather steering wheel.
