THE BMW M5.

ENJOY THE FUN OF DRIVING.

When the world of motorsports technology meets the world of athletic design, an exceptional form is created: the BMW M5. For the fifth generation BMW M5, nothing counts more than the ambition to inspire. From the performance of the 560hp engine, to the finest materials and first-class craftsmanship, BMW M demonstrates this ambition once more – in a more resounding and confident way than ever before.

The BMW M5. A car displaying the very best of two worlds.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against a BMW M5 at www.bmw.co.uk/EfficientDynamics.
