THE BMW 6 SERIES CONVERTIBLE.

JOY FLOWS.

Everything about the BMW 6 Series Convertible has been created to move you. The design vision was to convey pure driving pleasure, combining sculpted contours, fluid handling and sheer power, using water as its inspiration. The result is a car that takes dynamism and performance to another level, giving an exceptional open-top driving experience.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against the BMW 6 Series Convertible model at www.bmw.co.uk/EfficientDynamics.

VED rates

VED rates for brand new cars are determined by their CO₂ emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The BMW 6 Series Convertible model falls into the three categories listed below:

CO ₂ emissions (g/km)	Band F 141-150	Band I 176-185	Band K 186-200
First year VED	£135	£325	£600
Annual VED (second year onwards)	£135	£215	£270

Key
Insurance group figures refer to 50 Group Rating System.

Prices and specifications

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

On the road price

The recommended on the road price includes:	
Delivery and BMW Emergency Service	£700
Number plates	£25
Vehicle first registration fee	£55
First year Vehicle Excise Duty	See left
