THE NEW BMW M6 GRAN COUPÉ.

POWER MEETS BEAUTY.

The personality of the new BMW M6 Gran Coupé is immediately apparent in its strikingly athletic contours and sporty temperament. The BMW M TwinPower Turbo V8 engine guarantees formidable pulling power whilst the M high-performance chassis ensures precise road handling. The interior architecture captivates using the finest Merino leather, highest quality craftsmanship and motorsport inspired Carbon-fibre interior trim. A combination that delivers a thrilling drive every time.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against the BMW M6 at www.bmw.co.uk/EfficientDynamics.

BMW EfficientDynamics
Less emissions. More driving pleasure.

EXTERIOR.

The imposing presence of the new BMW M6 Gran Coupé clearly demonstrates its first-class genes. The M aerodynamic bodystyling enables the new BMW M6 Gran Coupé to cut smoothly and powerfully through the air, creating a highly memorable figure on the road. The sleek lines, M side gills with integrated indicators and muscular wheel arches add to the recognisably BMW M exterior.

At the rear, the LED light design in the rear light cluster creates a stylish impression at night, whilst the third brake light, integrated along the width of the rear window, further enhances the car's striking look and ensures optimum safety. The double twin exhaust tailpipes in Chrome, and the rear bumper with Carbon-fibre diffuser emphasise the power of this vehicle.

The Carbon-fibre reinforced plastic roof (CFRP) is half the weight of the steel equivalent, and lowers the centre of gravity of the new BMW M6 Gran Coupé. It also adds to the sleek and sporty exterior look of the vehicle.

These exterior elements come together beautifully to create a combination of high-performance and luxury in the new BMW M6 Gran Coupé.

INTERIOR.

The stylish personality of the new BMW M6 Gran Coupé is clear to see. The ambient interior lighting creates just the right atmosphere for the driver and passengers, and perfectly complements the standard Extended Merino leather upholstery with M embossing and Anthracite Alcantara headlining, with leather centre panel in selected upholstery colour*. The velour floor mats with leather piping in the selected upholstery colour* and Carbon-fibre interior trim, both standard, add a further dynamic to the assertive and stylish interior. The new BMW M6 Gran Coupé is not only stunning in design but also incredibly versatile, with ample storage space in both the front and rear and countless ways to personalise the interior.

The premium materials used in the interior of the new BMW M6 Gran Coupé are specially chosen to create a sense of elegance and luxury, so that each moment can be enjoyed to the full in exclusive comfort.

*Certain colour restrictions apply in combination with BMW Individual Full Merino leather, please consult your local BMW Dealer for further information.

EQUIPMENT HIGHLIGHTS.

The new BMW M6 Gran Coupé comes with a range of standard and optional equipment designed to complement its sporty pedigree. The M aerodynamic bodystyling, double twin exhaust tailpipes and impressive Adaptive LED Headlights, all standard, add a stylish touch and emphasise the commanding stature of the vehicle.

■ **20" light alloy M Double-spoke style 433M** wheels, pictured here with optional M Carbon ceramic brakes, look impressive and offer exceptional ground contact and optimum safety.

■ The **Kidney grille with Chrome surround, double Black vertical slats and M6 badging** makes the new BMW M6 Gran Coupé instantly recognisable.

■ The **Exhaust tailpipes in Chrome and the rear bumper with Carbon-fibre diffuser** accentuate the sporting heritage of the new BMW M6 Gran Coupé.

■ The **Carbon-fibre reinforced plastic roof (CFRP)** in the new BMW M6 Gran Coupé is lightweight and extremely strong.

■ **Adaptive LED Headlights**, full 'white' LED headlights for both low and high beam, which offer a greater resemblance to daylight and improve visibility by following the steering angle of the front wheels.

□ **Comfort seats**, electric with driver memory, shown here in Cohiba Brown BMW Individual Full Merino leather upholstery.

□ **4NB Air-conditioning with four-zone control** conveniently allows the rear temperature and other functions to be adjusted via a separate control unit.

■ **Full Black panel display** includes a high-resolution display in the instrument cluster, additionally the standard full colour **Head-up Display** projects data directly onto the windscreen for an even safer driving experience.

■ **Carbon-fibre interior trim** adds to an unmistakably unique ambience.

■ **M Sport leather multi-function steering wheel with gearshift paddles** for effortless gear changes. Stylish double spoke design and M logo with integrated buttons provide convenient use of cruise control, telephone, voice and audio functions.

□ **415 Sunblind, electric** for rear window, blocks harsh sun rays from the rear passenger area.

□ **6F2 B&O Advanced audio system** with 16 loudspeakers and 1200 watt output creating a sublime acoustic experience.

THE NEW BMW M6 GRAN COUPÉ.

TECHNICAL INFORMATION.

Model	Power output (hp)	0-62mph (secs)	Fuel consumption (mpg)			CO ₂ emissions (g/km)
			Urban	Extra Urban	Combined	
M6 Gran Coupé	560	4.2	20.2	37.2	28.5	232

Provisional data. Figures correct at time of print.

PRICING INFORMATION.

Model	Basic price (excluding VAT)	VAT 20%	Retail price (including VAT)	On the road price	P11d value	BIK tax rate (2013 / 2014)	VED band	Insurance group
