Alloy	Wheels	BMWi3	BMW i3 with Range Extender	Retail Price
2D6				Chandand
	19" BMW i light alloy wheels Straamline Star-spoke style 427 Aluminium forged wheel, streamline design for optimised aerodynamics and improved efficiency. Front and rear: 5 J x 19 / tyres 155/70 R 19 Note: only for BMW i3		-	Standard
2D7	19" BMW I light alloy wheels Streamline Star-spoke style 427 with mixed tyres Auminium forged wheel, streamline design for optimised aerodynamics and improved efficiency. Front: 5 J x 19 / tyres 155/T0 R19 Rear: 5.5 J x 19 / tyres 175/60 R 19 Note: only for BMW i3 Range Extender	-	•	Standard
2G5	19" BMW i bicolour light alloy wheels turbine styling 428 with mixed tyres	0	0	2680.00
	Aluminium forged wheel, Front: 5 J x 19 / tyres 155/70 R19 Rear: 5.5 J x 19 / tyres 175/60 R19			
2G6	19" BMW i bicolour light alloy wheels turbine styling 429 with mixed tyres	0	0	£560.00
	Aluminium forged wheel, Front: 5 J x 19 / tyres 155/70 R19 Rear: 5.5 J x 19 / tyres 175/60 R19			
2T7	20" BMW i bicolour light alloy wheels Double-spoke style 430 with mixed tyres Aluminium forged wheel,	0	0	£1,080.00
	Autminum forged writen, Front: 5 J x 20 / tyres 155/60 R20 Rear: 5.5 J x 20 / tyres 175/55 R20			
2PA	Locking wheel bolts	•	•	Standard

	ment details			
249	Multi-function controls for steering wheel Multi-function controls for cruise control, audio and telephone settings.	•	•	Standard
2VB	Tyre Pressure Monitor  Tyre Pressure Monitor  Electronic monitoring system of pressure of each tyre, warning indicator automatically activated if tyre pressure loss is 25% or more. After each change in tyre pressure, system must be re-initialised with correct pressure in all tyres	•	•	Standard
2VC	Mobility kit  Comprises tyre sealant bottle, electrically operated compressor for connection to 12V power socket. Separate stowage position in cable storage,	•	•	Standard
302	secured by burr-fasteners  Alarm system	•	•	Standard
322	Comfort access system Keyless access to the vehicle (driver's door, passenger door and boot lid). Contains: - 6 aerials - 2 capacitive proximity sensors - sensor marking front door handles - sensor marking front door handles - bonnet release switch at bottom of A pillar, illuminated, pictogram - boot lid release, illuminated, pictogram - Please note Comfort Go, keyless starting of the vehicle, is included as standard on the BMW i3.	0	0	£330.00
3AG	Reversing Assist camera Provides assistance for reverse parking and reverse manoeuvering. Image of the area behind the vehicle shown in the Control Display. Includes parking trajectory lines and obstacle markings which can be manually activated or deactivated.	0	0	Part of 5DU
403	only as part of 5DU  Electric Glass Sunroof  Electric Glass Sunroof with tilting and opening function, lies flat on outside and features sun protection glass to absorb more of the sun's rays and keep the cabin temperature cool while still allowing in more light providing a more airy feeling to the cabin. Both the driver's side and passenger's side can be individually shaded by two manually operated rolling covers	0	0	£780.00
420	Sun protection glass Reduces heat rise inside the passenger compartment when the car is in direct sunlight, so helps create a more pleasant climate for the car's occupants. More strongly tinted glass from the rear passenger doors back means that the glass in the rear compartment absorbs more of the sun's rays.	0	0	£280.00
423	Velour floor mats, Anthracite Velour floor mats in Anthracite. Please note colour of mats will match selected optional Interior World. See 7KX, 7KY or 7KZ.	•	•	Standard
428	Warning triangle and First-aid kit	•	•	Standard
430	Integrated inside tailgate trim.  Interior and exterior mirrors with automatic anti-dazzle function  Exterior mirrors (tinted blue) with mirror heating, mirror memory (by means of Personal Profile), automatic parking function (on passenger's side when reverse is engaged), heated washer jets and electric fold-in function, electrochromatic mirrors (interior and exterior mirrors), aspheric exterior mirror on passenger's side. With side-turn assistant: depending on speed and steering-wheel angle, when turn indicators are switched on view into blind spot is assisted by exterior mirror.	•	•	Standard
441 442	Smoker's package Ashtray insert, cigarette lighter replaces blanking plug for power socket Additional datachable cupholder	0	0	£20.00 Standard
	Removable second cupholder, for hooking into centre console			
473 493	Armrest front	•	•	Standard
493	Extended storage One power socket (12 V) in cockpit, one power socket (12 V) in luggage compartment, storage net Center Stack, clip-in oddments container, storage compartment in centre console with segment mat insert, rubber mats in door pockets, nets on front seat backrests, cupholders in rear between seat cushions, retaining starp on left side panel of luggage compartment, 4 lashing eyes in floor of the luggage compartment, retaining straps on floor of the luggage compartment or the luggage compartment.			Standard
494	Seat heating, front Seat heating for front driver and passenger seats. Only available as part of ZWT, Winter package.	0	0	Part of ZWP
4T9	Cold weather cabin preparation Comprising: - Heat pump for pre-heating the cabin temperature for improved comfort when entering the cabin in cold conditions. This ensures that less battery energy is required to achieve the desired cabin temperature as this can be activated while the vehicle is on charge. This results in improved range performance as well as the optimum cabin temperature before you enter the vehicle.	0	-	£530.00
4U7	DC Rapid charge preparation Preparation for 50 kW DC Rapid Charging where available. This charge socket is available in combination with AC Fast Charge preparation, not in replacement to 4U8.  - Max, power (grid side): 50 kW (3-phase 230 V, 125 A) - Charging time: 45 min (charge-level rise from 11.5 % to 97 %), 0-80% in < 30 minutes DC plugs: combo 2. Combined charging system (CCS).	0	0	£560.00
4U8	AC Fast charge preparation Preparation for 32 Amp AC Fast Charging (cable solid separately) where available.  - Max. power (grid side): 7.36 kW (1-phase 230 V, 32 A) - Charging time: 3.7 hours (charge-level rise from 11.5 % to 97 %), 0-80% in < 3 hours AC plugs: type 2	•	•	Standard
508	Park Distance Control (PDC) front and rear  Ultrasonic sensors provide acoustic distance warning of obstacles to the front and rear of the vehicle with a visual distance indicator in the Control Display. Automatically activated when selecting reverse gear but activation or deactivation available manually.  only with and included in 5DU, Park Assistant package	0	0	Part of 5DU
521	Rain sensor Automatic activation/intermittent-wipe control for windscreen wipers and automatic activation of driving lights at dark	•	•	Standard
534	Automatic air conditioning Fully automatic single zone temperature stratification and air volume control, Max-Cool button, automatic air recirculation control and active carbon microfilter. Display of selected cabin temperate in centre of temperature selection dial.	•	•	Standard

				1
44	Cruise control with braking function  Cruise control at speeds of approx. 30 km/h and higher, also on descents, by additional brake application, operation by multifunction steering wheel, desired speed and operating mode displayed in the instrument cluster, driver can override the function at any time.	•	•	Standard
A2	Adaptive LED headlights Featuring daytime driving lights with LED 'U' shaped BMW i design. Adaptive LED headlights improve visibility by following steering angle of the front wheels, giving better illumination of the road ahead through corners. Adaptive Headlights not active when car is reversing or when car is stationary and steering turned to offside, to avoid dazzling oncoming traffic. Replaces 5AK.	0	0	£710.00
AK	LED light elements Parking lights, daytime driving lights in LED technology (14 high-power LEDs) with LED 'U' shaped BMW i design. Not with 5A2, LED headlights with LED light elements.	•	•	Standard
AR	Traffic Jam Assist Included with 5AT, Driving Assistant Plus.	0	0	Included with 5AT
	Autonomous driving (steering, accelerating, braking) in traffic jams on highways up to approximately 25mph providing greater comfort for the driver. Please note this function can only be operated on motorways and other main roads with clear road markings.			
AT	Driving Assistant Plus A range of camera and radar-based driver assistance systems that enhance safety and reduce the risk of potential collisions, at both high and low speeds. Systems included in this option are:	0	0	£790.00
	Lane Departure Warning for detecting lane markings at speeds above approximately 45mph. If the car deviates from the lane of travel without the use of indicators, the steering wheel vibrates as an alert. If the indicators are used to signal, the system recognises this as an intentional lane change and the steering wheel will not vibrate.			
	Forward Collision Warning operates at speeds above 10 mph and monitors vehicles ahead and warns the driver by an optical and acoustic alert if their approach could escalate into a rear-end collision. At higher speeds over 30 mph an urgent warning also activates brake preconditioning for maximum force.			
	City Collision Mitigation proactively engages braking automatically for rapid reaction to potential vehicle collisions in driving situations up to 35 mph.			
	Preventive Pedestrian Protection proactively engages braking automatically for rapid reaction to potential collisions with humans and cyclists in urban driving situations up to 35 mph. The identification of pedestrians and cyclists is only active in daylight.			
	With camera-based Active Cruise Control (ACC) with 'Stop and Go'. The vehicle speed is automatically controlled and maintained from approximately 19 mph, allowing for a distance from the vehicle ahead to be set in any of four stages. Preceding vehicles are detected with automatic light braking deployed as a result of slowing traffic and Active Full Braking if the risk of collision is acute. Operation of Active Cruise Control (ACC) with 'Stop and Go' by means of the multifunctional steering wheel buttons			
	Includes 5AR, Traffic Jam Assistant for autonomous driving in traffic jams on motorways and other major roads.			
DP	only available in conjunction with one of the following: 7KX, Interior World - Loft / 7KY, Interior World - Lodge / 7KZ, Interior World - Suite  Park Assist	0	0	Part of 5DU
-	The system assists in parallel-parking manoeuvres. Parking-gap size measurement by ultrasonic sensors. Optimum calculation of the line to be followed for parking and control of the steering, acceleration and braking by the park assistant during the parking manoeuvre. Activation when the selector-lever is moved to the "R" position and manually by pushbutton. Results of parking-gap search are shown in the Control Display			
06	only with and included in SDU, Park Assist package  Navigation system - BMW Business Advanced  Route planning by individually defined criteria and dynamic route planning with due provision made for current traffic news (subject to coverage).  On-board computer with extended functionality (distance from destination, estimated time of arrival, etc.) and Integrated Owner's Handbook.	•	•	Standard
	Operation by iDrive with direct-selection buttons and 8 programmable Favourites Buttons. Fixed 6.5" display with 800x480-pixel resolution. Arrow pointers, north-up, direction of travel and perspective map displays. Includes functionality of option 663, BMW Professional Radio (with MP3 playback capability). Navigation data on integrated memory. Double funer with RDS / TMC. USB interface for map-data updates. Voice control of the navigation functions also possible in conjunction with option 6NS.			
	BMW i ConnectedDrive Services for Navigation include: - Range Assistant - Standard Range Map - Electric ECO route - Static and Dynamic Charging Station search			
		0	0	D . (7)
09	Navigation system - BMW Professional Multimedia Sophisticated multi-media interface (MMI) utilises a new Intel processor for 'fast start' processing speeds, screen loads and page transitions. Features unique BMW i graphics			Part of ZNU or ZNP
	Operation by choice of direct-selection short cut keys, 8 programmable Favourite buttons, Voice Control or iDrive. Includes the latest generation iDrive Touch Controller with a touch sensitive pad located on the rotary dial which allows written character entry that includes telephone numbers and address information. Fixed 10.2" widescreen display with 1280x480-pixel resolution.			
	Hard disc drive (HDD) system with integrated Owner's Handbook, electronic service booklet and BMW Service history as well as 20 GB memory available for uploading and storing data such as adulo files. Split-screen viewing allows parallel display of information with extended contents available including BMW Online 'widgets' such as a digital clock. Includes functionality of BMW Professional Radio (with MP3 and DVD playback capability) and double tuner supporting RDS/TMC data.			
	Route planning by individually defined criteria including ECO PRO route. Intelligent Route-ahead Assistance informs the driver of the most efficient driving style by anticipating the road conditions ahead. Multiple map views include arrow pointers, north orientation, direction of travel and perspective view with a choice of two coloured map modes, traffic map, satellite images and 3D city models. Integrated toolbar menus and pie charts allow access to various functions without having to deviate from the map screen. On-board computer adds extended functionality including distance from destination and estimated time of arrival.			
	Real Time Traffic Information (RTTI) is supported in combination with option code 6AM which displays highly-accurate traffic flow information in an easily interpreted colour-coded scheme, on both traffic and coloured map modes.			
	BMW i Connected Drive Services for Navigation include: - Range Assistant - Dynamic Range Map - Electric ECO route			
	- Static and Dynamic Charging Station search  Only available as part of ZNU, BMW Professional Navigation upgrade with RTTI or ZNP, Media package - BMW Professional.			
			_	6
54	DAB digital radio  Enables digital radio reception (DAB/DAB+), with sound quality on a par with that of a CD. Additional information such as names of tracks and artists can be displayed in the Control Display.	•	•	Standard
74	Loudspeaker system - harman/kardon harman/kardon speaker system with surround mode, digital amplifier with vehicle-specific equalising, 360W amplifier power: 5x40 W, 2x80 W, 7 channels, DSP technology, 12 speakers with high-quality expanded metal mesh covers: - 2 tweeters with 'harman/kardon' designation in the mirror triangles	0	0	£640.00
	- 2 midrange speakers in the front door trims - 2 central bass speakers underneath the front seats			
	- 2 tweeters in the holders for rear parcel shelf		:	
	- 2 tweeters in the holders for rear parcel shelf - 2 midrange speaker in the holders for rear parcel shelf - 1 midrange speaker in the instrument panel, top centre
