## Standard Equipment 8 Series Coupé

#### Model 840d xDrive

BMW diesel with BluePerformance BMW TwinPower Turbo inline six-cylinder diesel engine Diesel Particulate Filter Microfilter and active carbon filter Oil sensor for level and grade

#### Transmission

Engine

Eight-speed sport automatic transmission with gearshift paddle switches xDrive

#### Wheels and chassis

20" M light alloy wheels Y-spoke style 728 M Bicolour with Run-flat tyres and mixed tyres Adaptive M suspension Brake disks with interior ventilation, front and rear Carbon Core Drive Experience Control with Sport, Comfort, Eco Pro and Adaptive modes Electro-mechanical parking brake with automatic drive-away release and auto-hold function Front axle, double wishbone Integral Active Steering M Sport brakes (18" 840d xDrive, 19" MB50i xDrive) Servotronic

#### Safety and technology

Active front seat headrests Active Guard Active Protection Airbags comprising: Head airbags for first and second row seats Driver and front passenger, airbag, with seat occupancy detection Driver and front passenger, knee Driver and front passenger, side Passenger seat airbag deactivation, front Alarm system (Thatcham 1) with remote control and engine immobilise BMW Display key x 1. Also standard integrated key x 1 BMW Icon Adaptive LED headlights Brake light, third, LED technology (G15 in rear window, G14 in tailgate) Brake lights, Dynamic Brake-nad wear indicator Centre lock switch Check contro Closing system with central locking Comfort Access Condition based service Crash sensor activating central locking release, hazard warning lights, fuel cut-off, interior lighting, safety battery terminal clamp & airbags Cruise control with brake function Dynamic Damper Control Dynamic Stability Control (DSC) Dynamic Traction Control (DTC) First Aid kit and warning triangle Follow-me-home headlight function Front and rear bumper system with replaceable deformation elements Head-up display High-beam assistant Keyless engine start LED rear lights Locking wheel bolts Park Distance Control (PDC), front and rear Parking Assistant Rain sensor with automatic headlight activation Rear view camera Run-flat indicator Seat belts - front, three-point with pyrotechnical belt latch tensioner. belt force limiter & belt stopper Seat belts - rear, three-point with pyrotechnical belt latch tensioner & belt force limiter Side impact protection Speed limiting function Sun visors front with ticket holder and illuminated mirro

## Safety and technology continued

Two-tone horn Tyre pressure monitoring Vehicle key with exclusive 'M' designation Windscreen washer jets, heated

# Seats

Front, integrated in door trim Centre console, includes storage compartment Black Merino leather upholstery with extended contents Child seat ISOFIX attachment, rear outer seats Multifunctional sport seats for driver and front passenger Seat adjustment - front, electric with driver memory Seat heating, front Spilt folding rear seat with 50:50 configuration

#### Interior equipment

Air conditioning, automatic with 2-zone control Ambient interior lighting, dynamic BMW Individual headliner anthracite Cup holders, 2x front Electric windows, front Entry lights doors front Floor mats, velour Glove compartment, locakable with light Instrument and upper door panels, leather-trimmed (Walknappa leather) Interior mirror frameless Interior trim, Stainless steel fabric M Door sill finishers (illuminated) M Leather steering wheel M Pedals Multi-function controls for M leather steering wheel Power sockets, 12v - 2 x front Reading lights, front Steering column with adjustable height and length: activation via control on the steering column

#### Exterior equipment

Door handle illuminatio Exhaust tailpipes, chrome with finishers Exterior mirror housing, upper section in body colour with lower section in black (not with option 346) Exterior mirrors - folding, heated, electrically adjustable Exterior trim, High-gloss Shadowline Kidney grille, bright chrome Kidney struts, satinised aluminium M Aerodynamics package with front apron, side sills and rear apron with diffuser insert in Dark Shadow metallic M' designation on front side panel, left and right, in chrome M rear spoiler, body colour M Sport package, exterior contents Metallic paintwork Model logo, tailgate, right Tailgate operation, automatic Welcome lights, interior and handle-area xDrive designation on tailgate, left

#### Audio and communication

BMW ConnectedDrive Professional Bluetooth Hands-free facility with USB audio interface and Voice Control BMW Live Cockpit Professional DAB digital radio Enhanced Bluetooth with wireless charging Favourite buttons Drive Touch Controller with shortcut buttons Integrated owner's handbook Loudspeaker system - harman/kardon surround sound

#### M850i xDrive

Equipment in addition / replacement to 840d xDrive
20° M light alloy wheels Y-spoke style 728 M Bicolour Cerium Grey with performance tyres and mixed tyres
BMW TwinPower Turbo eight-cylinder petrol engine
Cerium Grey in the following content:
Air breather
Kidney frame and kidney struts
Mirror caps
Model designation on side and rear
Front apron with spoiler lip on bumper
M Sport differential
M Technology package
Petrol Particulate Filter
Sport exhaust system
Tyre repair kit (replacement for Run-flat tyres)

BMW Individual interior trim, Piano Black	0	0	£250.00
Sport automatic transmission The 8-speed Steptronic Sport transmission offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever – for comfortable coasting or incredibly dynamic driving. In SPORT mode and with the gear lever in the left-hand S/M position, the gear shifts are configured for the best performance.	•	•	Standard
Run-flat tyres	•	-	Standard
Run-flat tyres available and included with select alloy wheels. Please refer to the alloy wheel section below. Where a customer opts for an alloy wheel without run-flat tyres they will receive Tyre repair kit instead.	-	0	£0.00
M Sport braking system	•	•	Standard
Aluminium fixed-callipers for the front brakes and steel floating callipers for the rear brake. Blue painted brake callipers. Brake callipers with M designation. 16" M Sport brakes standard for 840d xDrive. 19" M Sport brakes optionally available as part of B115 M Sport Technic package. 19" M Sport brakes standard for M850i xDrive.			
M Sport differential The M sport differential optimises traction and driving stability when changing lanes or accelerating out of a bend, when taking bends at high speeds or on different road surfaces. Traction is optimised with the help of an electronically operated device that reduces the difference in revolution speed between the rear wheels. For 840d xDrive this is only available with option 335 M Sport Technic package.	-	•	£0.00 Standard
Tyre pressure monitoring	•	•	Standard
Electronic monitoring system of individual tyre pressure. System must be initialised after each change in tyre pressure, when pressure in all tyres is correct.  Tyre repair kit	0	-	
Tyre repair kit available and included with select alloy wheels where 258 Run-flat tyres are not included. Please refer to the alloy wheel section below.	-	•	£0.00 Standard
Tyre sealant bottle. Electronically operated 12V compressor (for connection to 12V socket). Integral Active Steering	•	•	Standard
A variable-ratio four-wheel steering system that delivers significantly greater manoeuvrability at low and parking speeds with enhanced stability and passenger comfort at higher speeds. Speed- dependent adaptation of the steering angle of front and rear wheels combined with reduced effort applied to steering wheel for more agile handling that is more comfortable when parking.			
Adaptive M Suspension Professional	-	0	£1,895.00

# C

O =optionally available ● =standard equipment			
- =not available	840d xDrive	M850i xDrive	Retail price (incl. VAT at 20%)
Beyond the standard adaptive suspension, the Adaptive M Suspension Professional adds active roll stabilisation system. On bumpy roads the active roll stabilisation is able to uncouple the connection of one axle and ensures a high level of driving comfort. The active roll stabilisation also reduces the lateral inclination of the vehicle body and thereby increases the car's cornering ability significantly. With this option the vehicle is at its most agile.		•	Standard
M Technology package Front lip spoiler and cooling package with indirect charging air cooling (flow-optimised).	-		Stantiaru
Climate Comfort windscreen			Standard
Infrared reflecting windscreen with burglary-deterrent acoustic film.		•	Standard
BMW Icon Adaptive LED headlights	•	•	Standard
Full White' LED headlights for both low and high beam, offering a greater resemblance to daylight. Includes automatic height adjustment, 'white' LED BMW lcon light design used for Daytime Driving Lights and LED front indicators. Featuring Adaptive Headlights, which improve visibility by following the steering angle of the front wheels, providing better illumination of the road ahead through comers. Adaptive Headlights not active when car is reversing or when car is stationary and steering turned to offside, to avoid dazzling oncoming traffic.			
BMW Selective Beam functionality is supported in combination with High-beam Assistant (option 5AC) to provide an intelligent anti-glare system that provides autonomous control of the left and right headlights and high-beam distribution to optimise illumination of the road ahead without glaring other road users. BMW Selective Beam can vary high and low beam simultaneously to direct the light distribution around other vehicles according to the traffic situation, ensuring unparalleled levels of illumination. For further information please refer to the Technology Hub on LaunchPad.			
High-beam Assistant	•	•	Standard
Automatic switching on and off of the high-beam headlights depending on the traffic situation, controlled via a sensor on the front side of the interior mirror.			
Driving Assistant Professional	0	0	Only with: Technology package
Driving Assistant Professional offers optimum comfort and maximum safety during monotonous or complex driving situations. These can include traffic jams, stop-and-go traffic or long journeys through the city, on country roads or motorways, along with navigating junctions and lane changes. The Active cruise control with Stop&Go function incl. Approach control warning, Person warning and Cyclist warning with braking function maintains the desired speed up to a limit of 130mph and			
the set distance to the vehicle in front. When desired, Speed Limit Assist automatically takes over the actual driving speed, which is determined by the Speed Limit Info including No-overtaking indicator with preview.			
The Steering and lane control assistant is also available up to 130mph. This supports you with active steering interventions in safely steering the car within its lane. The Lane Keeping Assistant with active side collision protection helps to prevent collisions by prohibiting a lane change or unintentional straying into a different lane during heavy traffic or by preventing a threatening side collision with another road user with a steering intervention. When required, Approach control warning reacts with warnings of increasing intensity, light braking and, if necessary, full braking. The emergency stop assistant brings the vehicle to a standstill if the driver is suddenly unable to drive. After an accident occurs, the brakes are automatically applied until the car reaches a standstill. Depending on the traffic situation, the vehicle is guided up to the hard shoulder.			
BMW Laserlight	0	0	Only with: Visability package
Functionality - 3 lighting levels: LED low-beam headlights, LED high-beam headlights with laser module (above 37 mph) - LED position light, LED daytime driving light, LED direction indicator, LED comering light - Adaptive headlights - Incl. BMW Selective Beam, the dazzle-free high-beam assistant from BMW			visability package
Technical content - LED for high amount of light and wide illumination - Laser module for high-beam headlights doubles the light intensity compared to Bi-LED (more than 500m - light emitted from blue high-performance laser diodes is concentrated to white light with high intensity on a small phosphor plate)			
Including specific design elements and exclusive designation 'BMW Laserlight'			
Parking Assistant Parking Assistant makes parking the vehicle easier. The Rear View camera provides a clearer view behind the car. The Parking Assistant parks the vehicle automatically, parallel to the street. Reversing Assistant helps the driver when reversing, e.g. in narrow alleys.	•	•	Standard
Parking Assistant Plus	0	0	Only with:
- Parking Assistant Plus makes parking and manoeuvring the vehicle easier. It features among others the Surround View system including Top View, Panorama View and Remote View 3D, as well as a lateral parking aid, the Parking Assistant with linear quidance and Reversing Assistant.			Technology package
Please note: the system scopes contained in the option code only provide assistance within defined system limits. It remains the responsibility of the respective driver to react to the actual traffic situation.			
Seat ventilation, front	0	0	Only with:
Ventilation of seat base and seat backrest for both front seats.			Premium package
Seat heating, front	•	•	Standard
Variable temperature for front two seats via three-stage switch.			
Multifunctional sport seats for driver and front passenger	•	•	Standard
Includes: - Electrical adjustment of backrest width - Manual seat depth adjustment - Leather, perforated			
M seat belts	0	0	£260.00
Black seat belts with coloured M seam for all seats.			
Heat comfort package, front	0	0	Only with: Premium package
- Heated armrests in the front doors - Heated armrests in the front centre console - Steering wheel heating			
Air Collar A variable (speed dependent) stream of heated air for warming the neck when driving with the convertible roof down at low outside temperatures. The level of heating is adjusted by a three-stage switch integrated into the switch for the convertible roof.	-	-	Standard
Tailgate operation, powered	•	•	Standard
The Automatic tailgate operation allows users to open and close the tailgate electrically – all that is required is the push of a button in the interior or on the car key. It can also be opened using the outside handle, and closed using a button on the inside of the tailgate.			Standard

	840d xDrive	M850i xDrive	Retail price (incl. VAT at 20%)
Access to the vehicle without removing key from pockets or bag. Sensors detect proximity of keys to the vehicle and allow doors to be unlocked by holding the door handle closest to the key.	8	2	E C
Locking by touching ribbed section of door handle when key is not inside the car.			
Includes Digital Key technology allowing locking and unlocking of the driver's door via smartphone, removing the need for a conventional carkey. Smartphone needs to be held within 5cm of door			
handle to lock and unlock, and placed in Wireless Charging smartphone tray to start and drive vehicle. The BMW Digital Key will initially be available for selected Android platform NFC-capable smartphones at launch - a high quality key card is included to enable keyless access to the vehicle for users without a compatible Smartphone. BMW Digital Keys can be shared with up to five other			
people with applicable smartphones. BMW Digital keys available via the ConnectedDrive store with a service duration of 1 year from purchase.			
Soft-close doors	0	0	Only with: Premium package
Motorised latches for both passenger doors allow silent and effortless closure. If a door is inadvertently left partly open it is automatically pulled to the fully closed position.			i remun puchage
Chrome Line Exterior	0	0	£0.00
Kidney frame and struts, struts in the air flap control, air breather inlay, window frame, mirror base, and the exhaust system in high-gloss chrome.			
Kidney frame and struts, struts in the air flap control, air breather inlay, window frame, mirror base, and the exhaust system in high-gloss chrome.			
M Carbon roof	0	0	£2,650.00
As part of the intelligent lightweight construction concept, the M carbon-fibre roof significantly helps to reduce the vehicle's weight. It consists of carbon-fibre reinforced plastic (CFRP) and is 800 g lighter than the standard roof. That way, the centre of gravity of the vehicle is shifted downwards and the driving dynamics are increased.			
nginer than the standard root. That way, the centre of gravity of the vehicle is shined downwards and the driving dynamics are increased.			
M Carbon exterior package	0	0	£3,350.00
Equipment contents:			
- M Carbon air guidance element Air Curtain, front left and right - M Carbon blade, front centre B231			
- M Carbon mirror caps			
- M Carbon rear spoiler - Single-piece carbon finisher around the tailpipe finishers			
- Rear diffuser insert in specific geometry			
	•	•	
M rear spoiler	•		Standard
M rear spoiler in the body colour of the car.			
Exterior trim, High-gloss Shadowline	•	٠	Standard
- Side window graphics, mirror base and mirror bezel in black high-gloss.			
BMW Individual high-gloss Shadow Line with extended contents	0	0	£450.00
BMW Individual high-gloss Shadow Line with extended features includes the kidney grille frame, the Air Breather inlays on the sides and the tailpipe trims in Black Chrome. The kidney grille slats are			
in high-gloss Black.
