Number produced:	1,039 (only c.50 of the 'Batmobile' homologation special)
Price when new:	N/A
Approximate value today:	£240,000
Additional comments:	<p>This is the ultimate lightweight version of the BMW 3.0 CS. First introduced as a 2800 CS in 1968 BMW's new coupé acquired larger engines, aluminium panels and the wing and spoiler kit homologated for racing.</p> <p>In this form the BMW 3.0 CSL won six European Touring Car Championships (in 1973, 1975, 1976, 1977, 1978 and 1979) and is immortalised as the Batmobile.</p>
